AFFIDAVIT

The undersigned hereby affirms that the drilling, completion and eventual plugging of this well will comply with K.S.A. 55 et. seq. It is agreed that the following minimum requirements will be met:

1. Notify the appropriate district office *prior* to spudding of well;

- 2. A copy of the approved notice of intent to drill shall be posted on each drilling rig;
- 3. The minimum amount of surface pipe as specified below shall be set by circulating cement to the top; in all cases surface pipe shall be set through all unconsolidated materials plus a minimum of 20 feet into the underlying formation.
- 4. If the well is dry hole, an agreement between the operator and the district office on plug length and placement is necessary prior to plugging;
- 5. The appropriate district office will be notified before well is either plugged or production casing is cemented in;
- 6. If an ALTERNATE II COMPLETION, production pipe shall be cemented from below any usable water to surface within 120 DAYS of spud date. Or pursuant to Appendix "B" - Eastern Kansas surface casing order #133,891-C, which applies to the KCC District 3 area, alternate II cementing must be completed within 30 days of the spud date or the well shall be plugged. In all cases, NOTIFY district office prior to any cementing.

Notwildstanding any provisions of this Lease, or any wording contained in this Lease (such as "the Lands", "linis Lease," "the Lease," "leasehold," or any similar terms), each of the separately designated tracts ("Tracts") to this Lease shall be treated for all purposes as a separate and distinct lease. All of the provisions contained in this lease form shall be applicable to each separate Tract and be construed as if a separate lease agreement had been made and executed covering each separate.

The Lands are deemed to contain the amount of acres for EACH TRACT AS SET FORTH HEREIN, whether they contain more or less.

2. This Leaso shall remain in force for a primary term of five (5) years (the "Primary Term") from the Effective Date and as long thereafter as oil, gas, or other hydrocathons are, or can be produced from the Lands. On or before five (5) years from the Effective Date, if this Lease is not otherwise continued in force, Lease, at its option may automatically renew this lease and extend the Primary Term for an additional five (5) years from the Effective Date, lease tenders consideration to Leasor, in the amount of the protein are as to the lands covered by this lease.

3. The royalities to be paid by Lessee are: (a) on oil and other liquid hydrocarbons, one-eighth (1/8th) of that produced and saved from said land, the same to be delivered at the wells, are to the credit of Lessue into the pipeline to which the wells may be connected; Lessee may from time to time purchase any royalty oil in its possestion, paying the market price therefore prevailing for the field where produced on the date of purchase; (b) on gas and the constituents thereof produced and saved. On product sold at the well, the toyalty shall be one-eighth (1/8th) of the net process realized from such table. All royalties paid on gas sold or used. On products subcretor will be paid after deducting from such royalty Lessor's proportionate amount of all port-production costs, including but not limited to gross produces therefrom will be paid after deducting from such royalty Lessor's proportionate amount of all port-production costs, including but not limited to gross products that for exception and severes, if any. 4. If operations for the drilling of a well for oil or gas are not commenced on the Lands on or before September 30, 2003 (the "Rental Payment Date"), this Lease shall terminate unless Lessee, before that date, pays or tenders to Lessor DIRECTLY AT THE ABOVE ADDRESS, the sum of ONE DOLLAR PER ACRE AS SHOWN ON EXHIBIT [TRACT] ("Rentals") which shall operate as a rental and cover the privilege of deferring the commencement of operations for drilling for a period of one year. In files manner and upon like payments or tenders in the commencement of operations for drilling may be further deferred for like successive periods until the end of the end of the end of the Densitory. Lessor agrees the consideration provided in paragraph 1. covers asigns, mailed or delivered on or before the Rental Paying Date, either directly the first Rental Payment Date but also Lessers option of extending that period, and all other rights conferred in this Lesse. Norvillstanding the Lessor or his/her successors in interest, the payment or tender of Rentals shall be binding on the heirs, devises, executors, and administrators of Lessor.

5. If at any time prior to the discovery of oil or gas or other hydrocarbons on the Lands, and during the Primary Term, Lessee drills a dry hole or holes on the Lands, this Lesse shall not terminate, provided operations for the drilling of a well shall be commenced by the next ensuing Rental Paying Date, or Lessee begins or resumes the payment of Rentals.

6. If Lessor owns a lesser interest in the Lands than the entire and undivided fee simple estate in the minerals, any royalty and Rentals which may be due or payable shall be paid to Lessor only in the proportion which Lessor's interest bears to the whole and undivided fee. Lesser's failure to proportionately reduce Rentals shall have no effect on the right to reduce royalties to correspond with Lessor's actual interest in the mineral estate in the Lands.

7. Lessee is granted the right to use, free of cost, gas, oil, and water found on or under the Lands, for all of Lessee's operations, except water from Lessor's wells. When required by Lessor, Lessee will bury its pipelines crossing those portions of the Lands that are under cultivation below ordinary plow depth, and pay for damages caused by its operations to growing crops on the Lands. No well shall be drilled nearer than 200 feet to any locuse or barn located on the Lands on the Effective Date without the written consent of Lessor. Exsee has the right to gravitate any for damages caused by its operations of Lessor. Exsee has the right at any time during or after the expiration of this Lease, but is under no obligation, to remove all machinery, fixtures, buildings, and other structures placed on the Lands, including the right to draw and remove all casing. Lessee has no obligation to restore the surface of the Lands to its original condition where any afterations or changes were due to operations reasonably necessary under this Lease.

8. If the estate of either party is assigned, the privilege of assigning in whole or in part being expressly allowed, the terms of this Lease shall extend to the of Lessor, under this Lease shall be inding on the Lessor and assigns. No change of ownership in the Lands, Rentals or royaltics, or any sum due, or the depository address of Lessor, under this Lease shall be binding on the Lessor that the writen notice of the change accompanied by the original recorded instrument or certified copy of the conveyance, a certified copy of the Will and probate proceedings of any deceased owner, or a certified copy of the proceedings showing the appointment of an administrator of the state of any deceased owner, whichever is appropriate, together with all recorded instruments of conveyance or certified copies necessary to show a complete chain of tills to the interest claimed. All advanced payment of Rentals made before the end of the 60-day period following Lesse's receipt of documents shall be binding on an direct assignee, grantee, devisee, administrator, executor, or heir of Lessor.

9. No change or division in the ownership of the Lands, Rentals, or royalties, however accomplished, shall enlarge the obligation or diminish the rights of the Lesse. In the event of an assignment in whole or in part by Lesse, the liability for breach of any obligation of this Lesse shall rest exclusively on the owner of the portion of the Lesse committing the breach. Lesse has no obligation to offset wells on separate tracts into which the Lands may be divided by sale, davise, descent or otherwise, or to furnish separate measuring devices or tanks. If this Lesse is assigned as to a segregated part or parts of the Lands and the holders or owners of any part is in default in the payment of the proportionate part of the Rentals due, the default shall not operate to affect this Lease insofar ns it covers a part of the Lands on which Lessee or any other assignee makes limbly payment of Rentals. If it is more parties become entitled to royally payments, Lessee may withhold payment until furnished with a recordable instrument executed by all the parties designating an agent to receive payment of royalties for all the parties.

10. Lessor warrants and agrees to defend title to the Lands and agrees Lessee, at its option, may pay and discharge in whole or in part any taxes, mortgages or other licas existing, levied or assessed on or against the Lands. If Lessee exercises this option it shall be subrogated to the rights of any holder or holders of the licas or

11. If Lessee commences operations for drilling at any time while this Lease is in force, this Lease shall remain in force and its terms shall continue so long as those operations are prosecuted. If production results from the operations, the Lease shall remain in effect as long as production continues.

12. If, during the Primary Term, production on the Lands ceases from any cause, this Lease shall not terminate provided operations for the drilling of a well are commenced before or on the next ensuing Rental Paying Date; or, Leuse begins or resumes the payment of Rentals in the manner and amount provided in paragraph 5 above. If after the expiration of the Primary Term, production on the Lands ceases from any cause, this Lease shall not terminate provided Lessee resumes uperations for the drilling a well or commences reworking operations on a well within one hundred and eighty (160) days from the date of cessation of production. This Lease shall remain in force during the presecution of the operations and, if production results or resumes, as long as production continues.

13. At any time Lessee may surrender this Lease in whole or in part by delivering or mailing a release to the Lessor, or by placing the release of record in the county where the Lands are located. If the Lease is surrendered on only a partient of the Lands, all payments and liabilities that accure as to the released partien of the Lands shall cease and any subsequent Rentals lust may be apportioned on an acreage basis. As to the portion of the Lands not released, the terms and provisions of this Lease shall cease and remain in full force and effect for all purposes.

14. All provisions of this Lease, express or implied, shall be subject to all federal and state laws and the orders, rules, or regulations of all governmental agencies administering them. This Lease shall not in any way be terminated in whule or in part, nor shall Lease to be liable in damages for failure to comply with any of the express or implied provisions of this Lease if the failure results from any such laws, orders, rules or regulations. If Lessee is prevented from drilling a well during the last six months of the Primary Term by the order of any constituted authority having jurisdiction, or if Lessee is unable during that periad to drill a well due to the unavailability of necessary equipment, the Primary Term of this Lease shall continue for six months after the order is suspended and/or the equipment is available. Lessee shall pay Reatals during the cuted time.

15. Lesses, at its option, is granted the right and power to voluntarily peol, unlitze, or combine all or any portion of the Lands as to oil and/or gas, with any other adjacent lands, or leases, when in Lesse's judgment it is necessary or advisable to do so in order to properly develop and operate the Lesse, or to obtain the maximum production allowable for any well. Unless larger units may be created to conform to any spacing or well unit pattern that may be prescribed by governmental authorities. Lessee a gas well plus a tolerance of the Lands are permitted, pooling may be in units and the reself of conform to any spacing or well unit pattern that may be prescribed by governmental authorities. Lessee a gas well plus a tolerance of the county where the Lands are located on instrument (dealifying the unit and describing the pooled nerage. This Lease and all its terms, covenants, and conditions shall extend to and be binding on all successors grantees and assigns of Lessor and Lessoe.

This Lease is executed by Lessor as of the date of the acknowledgment of Lessor's signature, but shall be deemed effective for all purposes as of the Effective Date stated above.

OTHER PROVISIONS:

- In the event of drilling operations on the Lands:
 - Lessee shall install fencing around any open pits sufficient to keep cattle from entering the enclosed, pit area. Such fencing shall be maintained in good order and remain in place and until such time as said pits are permanently closed.
 - Lessee shall not intentionally dispose of any produced brine or salt water on the surface of the lands.
 - Lessee shall consult with Lessor as to the placement and location of roads prior to the drilling of any wells.
- Payment to Lesser by Lessee for damages to growing crops as set forth in above paragraph #7, shall also include payment for pasture grass.
- No well or well bore may be utilized by Lessee for the disposal of solt water from wells located off of the Lands or leased premises without the prior written consent of Lessor.
- The Lands are now or may hereafter be equipped for irrigation. If Lessee completes an oil or gas well on the lease premises, all operating and storage equipment, machinery, and fixtures will be low in profile and height, and located in such a manner to permit Lessor's use of center pivot irrigation systems or other common types of overhead irrigation systems that may be in place at the time of such well completion.
- Within 90 days following the expiration of this Lease, Lessee shall file a Release of Oil and Gas Lease in the recents of the Register of Deeds of Cheyenae County, Kansas.
- Prior to the commencement of drilling operations and/or the installation of production facilities and pipelines on the Lands, Lessee agrees to make a good faith
 effort to negotiate for payment of surface damages. Lessee shall be responsible to Lessor for all damages caused by Lessee's operations, including but not limited
 to, damage or injury to the surface of the fease premixes, timber, crups, pastures, domestic animals, roads, canals, ditches, artificial or natural drains, fences,
 buildings, water wells, and improvements located on the lesse premixes. Lessee shall protect and hold Lessor harmless from any claim or claims by any person,
 firm, or corporation resulting from Lessee's operations, regardless of the merit of any claim.
