WoCo Drilling, LLC

Comments:

Accuracy of the information contained on this log is dependent on the accuracy of the measuring equipment and the skill of the operator in its application. Midwest Surveys cannot guarantee any interpretations and assumes no liability for any loss or damage resulting from such interpretations. Midwest Surveys makes no warranties, expressed or implied, except that its equipment and personnel will perform in accordance with generally accepted industry standards and practices. Interpretations are based on information received from sources other than Midwest Surveys and are based solely on such information. Midwest Surveys is not responsible for the accuracy of such information. Interpretations are opinions based on inferences from electrical or other measurements, empirical relationships and assumptions which may not be infallible. Midwest Surveys makes no representation or warranty as to the productiveness of any zone, adequacy of any structure or the profitability of any operation. Customer agrees that Midwest Surveys shall not be liable for any loss or damage arising from the use of any information or data furnished by Midwest Surveys. Customer agrees to indemnify and hold Midwest Surveys harmless from any claim, demand or action arising out of the use of any information or data furnished by Midwest Surveys, except in the case of gross or wilful negligence on our part. In no event is Midwest Surveys liable for any consequential or incidental damages. Customer agrees that the liability of Midwest Surveys, if any, for any loss or damage shall not exceed the amount of any invoice covering the interpretation in question. Customer agrees to the foregoing and acknowledges that this paragraph shall be binding upon its successors and assigns.
