Well Not Drilled - Permit Expired Date: ___ Signature of Operator or Agent:

IN ALL CASES PLOT THE INTENDED WELL ON THE PLAT BELOW

Plat of acreage attributable to a well in a prorated or spaced field

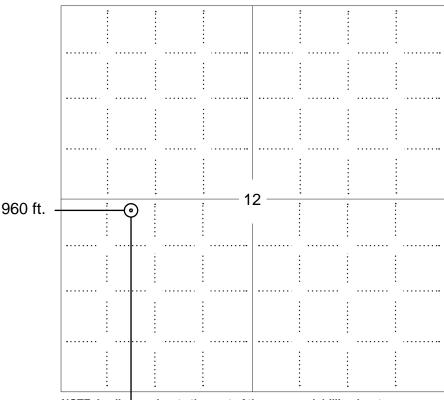

If the intended well is in a prorated or spaced field, please fully complete this side of the form. If the intended well is in a prorated or spaced field complete the plat below showing that the well will be properly located in relationship to other wells producing from the common source of supply. Please show all the wells and within 1 mile of the boundaries of the proposed acreage attribution unit for gas wells and within 1/2 mile of the boundaries of the proposed acreage attribution unit for oil wells.

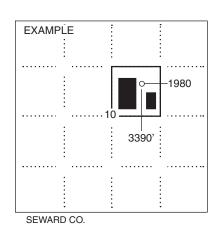

API No. 15 -	
Operator:	Location of Well: County:
Lease:	feet from N / S Line of Section
Well Number:	feet from E / W Line of Section
Field:	SecTwpS. R 🗌 E 🗍 W
Number of Acres attributable to well:	Is Section: Regular or Irregular
	If Section is Irregular, locate well from nearest corner boundary. Section corner used: NE NW SE SW

PLAT

(Show location of the well and shade attributable acreage for prorated or spaced wells.)

(Show footage to the nearest lease or unit boundary line.)

NOTE: In all cases locate the spot of the proposed drilling locaton.

2480 ft.

In plotting the proposed location of the well, you must show:

- 1. The manner in which you are using the depicted plat by identifying section lines, i.e. 1 section, 1 section with 8 surrounding sections, 4 sections, etc.
- 2. The distance of the proposed drilling location from the south / north and east / west outside section lines.
- 3. The distance to the nearest lease or unit boundary line (in footage).
- 4. If proposed location is located within a prorated or spaced field a certificate of acreage attribution plat must be attached: (C0-7 for oil wells; CG-8 for gas wells).

OIL AND GAS LEASE

Proto The Direct In Direct Checkad

2006 WAYNE R. WELLBROCK AND DIANE M. WELLBROCK September day of 25th AGREEMENT, Made and entered into the_ by and between

HUSBAND AND WIFE
whose mailing address is 544 330th Avenue Victoria , Kansas 67671 hereinafter called Lessor (whether one or more), and Samuel Gary Jr. & Associates, Inc 1670 Broadway, Suite 3300, Denver, CO 80202
Erations Dollars (\$ 10.00) in hand paid, are nontained, hereby grants, leases and lets exclusively unto lessee for the and producing oil, liquid hydrocarbons, all gases, and their respective come get tanks, power stations, telephone lines, and other structures and things there as and their respective constituent products and other products manufacture erisionary rights and after-accunicel inferest.
therein situated in County of Ellis State of described as follows to-writ: SEE EXHIBIT "A" ATTACHED HERETO AND MADE A PART HEREOF FOR PROPERTY DESCRIPTION.
Lownship herein contained, this les or other respective consistence.
In consideration of the premises the said lessee covenants and agrees: 1st. To deliver to the credit of Lessor, free of cost, in the pipe line to which Lessee may connect wells on said land, the equal one-eighth (1/8) part of all oil produced and saved from the leased premises. 2nd To pay Lessor for gas, (including casinghead gas) of whatsoever nature or kind produced and sold, or used off the premises, or used in the manufacture of any products therefrom, one-eighth (1/8), at the market price at the well, (but, as to gas sold by Lessee, in no event more than one-eighth (1/8) of the net proceeds treceived by Lessee from such sales, such net proceeds to be less a proportionate part of the production, severance, or other excise taxes and the cost incurred by Lessee in the premises, or in the removal of nitrogen, helium or other impurities in the gas sprocessing, compressing, or otherwise making any such gas merchantable) for the gas sold, used off the premises, or in the manufacture of products therefrom, said payments to be made monthly.
This lease may be maintained during the primary term hereof without further payment or drilling operations. If at the expiration of the primary term of this lease, oil or gas is not being produced on the leased premises or on acreage pooled or unitized therewith but Lessee is then engaged in drilling, reworking operations thereon, then this lease shall continue m force so long as operations are being continuously prosecuted on the leased premises or on acreage pooled or unitized therewith, and operations shall be considered to be continuously prosecuted if not more than one hundred and twenty (120) days shall elastes between the compiletion or abhandonment of one well and the beginning of operations for the drilling of a subsequent well. If after discovery of oil or gas on the leased premises or on acreage pooled or unitized therewith, the production should cease from any cause after the primary term, this lease shall not terminate if if oil or gas shall be discovered and produced as a result of such operations, this lease shall continue in full force and effect so long as oil or gas is produced from the leased premises or on
Faffer the primary term one or more wells on the lease premises or lands pooled or unitized therewith are capable of producing oil or gas or other substances covered hereby, but such well or wells are either slut in or production therefrom is not being sold by Lessee, such well or wells shall nevertheless be deemed to be producing for the purpose of maintaining the least for a period of minety (90) consecurive days such well or wells are slut in or production therefrom is not sold by Lessee, the Lessee shall pay an aggregate slut-in royalty of One Dollar (\$1.00) per acce then convered by this leasts, such payment to be made to Lesson on or before the anniversary date of this leasts or on or before the anniversary date of this leasts while the well or wells are slut in or production therefrom is not being sold by Lessee; provided that if this leasts is in its primary term due until the end of the next following anniversary date of this least while sease that operations, or if production is being sold by Lessee; provided that if this least in its primary date of this least while the sease in the case may be. Lessee's failure to property pay shut-in royalty shall be shall render Lessee liable for the amount due, but shall not operate to terminate this least.
If said lessor owns a less interest in the above described land than the entire and undivided fee simple estate therein, then the royalties (including any shut-in royalties) herein provided for shall be paid the said lessor only in the proportion which lessor's interest bears to the whole and undivided fee. Lessee shall have the right to use, free of cost, gas, oil and water produced on said land for lessee's operation thereon, except water from the wells of lessor.
When requested by tessor, tessee shall bury tessee's pipe lines below plow depth. No well shall be drilled nearer than 200 feet to the house or barn now on said premises without written consent of tessor. Lessee shall pay for damages caused by tessee's operations to growing crops on said land.
Lessee shall have the right at any time to remove all machinery and fixtures placed on said premises, including the right to draw and remove casing. If the estate of either party hereto is assigned, and the privilege of assigning in whole or in part is expressly allowed, the covenants hereof shall extend to their, executors, successors or assigns, but no change in the ownership of the land or assignment of rentals or royalites shall be included on the lessee has been furnished with a written transfer or assignment or a true copy thereof. In case lessee assigns this lease, in whole or in part, lessee shall be relieved of all obligations with respect to the assignment.
Lessee may at any time execute and deliver to lessor or place of record a release or releases covering any portion or portions of the above described premises and thereby surrender this lease as to such portion or portions and be relieved of all obligations as to the acreage surrendered. All express or implied coverand for this lease shall be subject to all Federal and State Laws, Executive Orders, Rules or Regulations, and this lease shall not be terminated, in whole or in part, not lessee held liable in damages, for failure to comply therewith, if compliance by, or if such failure is the result of, any such Law, Order. Rule or Regulation, including restrictions on the drilling and production of wells, and regulation of the price or transportation of oil, gas or other substance covered hereby. When drilling, reworking, production or other effects and regulations or other production of wells, and regulation of the price or transportation of oil, gas or other substance covered hereby. When drilling, reworking, production or other effects of the production of wells, and regulation, and the production of the price of transportation of the price of the public enemy, war, blockede, public not, lightering, fire, storm, flood or district, because or cancer and the public enemy, war, blockede, public only ingulations, bevaranced ladery is restrained in a statistatory market for production, or by any other cause, whether of the kind specifically enumerated above or otherwise which is not resonably within control of leaves.
terminate because of such prevention or delay, and, at Lessee's option, the period of such prevention or delay shall be added to the term hereof. Lessee shall not be liable for breach of any provision or implied covenants of this lease when drilling, production, or other operations are so prevented or delayed. Lessor hereby warrants and agrees to defend the title to the lands herein described, and agrees that the lesses shall have the right at any time to redeem for lessor, by payment any mortgages, taxes or other liens on the above described lands, in the event of default of payment by lessor, and be subrogated to the rights of the holder thereof, and the undersigned lessors, for the first successors and assigns, hereby surrender and release all right of dower and homestead in an way affect the numbers of which this lesse is made as recited homestead in the premises described herein, in so far as said right of dower and homestead man in an way affect the numbers of which this lesse is made as recited homestead in the premises described herein, in so far as said right of dower and homestead man in any way affect the numbers.
Lessee, at its option, is hereby given the right and power to pool, untitze or combine the acreage covered by this lesse or any portion thereof with other land, lease or lesses in the immediate vicinity thereof, when in lessee's judgment it is necessary or advisable to do so in order to properly develop and operate said lesse permisses so as to promote the conservation of oil, do acres each that may be produced from said premises, such pooling or untization to be of tracts configuous to one another and to be into a unit or units not exceeding 640 acres each in the event of an oil well, or into a unit or units not exceeding 640 acres each in the event of an oil well, or into a unit or units not exceeding 640 acres each in the event of an oil well, or into a unit or units of exceeding 640 acres each in the event of an oil well, or into a unit or units of a server each in the restrict in writing and record in the conveyance records of the county in which the land herein elssed is situated an instrument identifying and describing the pooled or unitized acreages. EXHIBIT "A"

Attached to and made a part of that Certain Oil and Gas Lease dated September 25, 2006, by and between, WAYNE R. WELLBROCK, ET UX, as Lessor, and SAMUEL GARY, JR. & ASSOCIATES, INC., as Lessee.

PROPERTY DESCRIPTION:

TOWNSHIP 15 SOUTH - RANGE 17 WEST

SECTION 12:

That certain tract or parcel of land estimated to contain 160.00 acres, more or less, and being described as the West half of the West half (W2 of the W2) of Section 12, Township 15 South, Range 17 West, Ellis County, Kansas.

It is the intention of this lease to cover and include any mineral interest which the Lessor may own in and to the above described tract, including streets, roads, canals, drainage ditches, rights of way or other servitudes, including, but not limited to, any reversionary interest which Lessor may acquire in the same, by prescription of nonuse.

ADDITIONAL TERMS AND PROVISIONS:

- The provisions of this EXHIBIT "A" shall control and supersede the terms of the attached oil and gas lease when such terms conflict.
- Lessee shall bury and maintain all pipelines below ordinary plow depth (36"). 7
- Lessee shall pay all damages, caused by Lessee's operations hereunder to crops, including grass, and restore as nearly as practical, said premises to the same conditions and contour as previously existed, upon termination of this lease.
- Lessee is hereby granted the option to extend the primary term of this lease for an additional two (2) years from the expiration of the original primary term. This option may be exercised by Lessee, in total, on or before the expiration date of lease by paying and delivering to Lessor at the above address, the sum of \$12.00 per acre covered by the lease. In the event Lessee exercises this option, Lessee must renew all acreage covered by this lease. Should this option be exercised as herein provided, it shall be considered for all purposes as though this lease originally provided for a term of five (5) years. 4
