I will change our records to show the drill pit still open and just attach this email to the application to show what happened. Thanks

Kathy,

Michelle Pennington told me to send you an email regarding a mistake I made.

I filed a CDP-4 for the drilling pit inadvertently on the Hickok C-1, API# 15-067-21698-0000, 18-30S-38W. I thought I hadn't filed one for the closing of the haul-off pit, and filed a CDP-4 on Solar. As it turns out, I had already filed one. To compound the problem, the CDP-4 filed on Solar yesterday was for the drilling pit, which has not been closed. What do I need to do to correct this?

Thanks.
