### IN ALL CASES PLOT THE INTENDED WELL ON THE PLAT BELOW

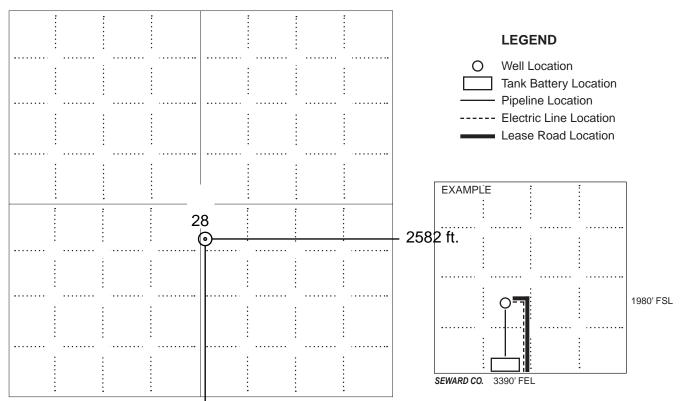

In all cases, please fully complete this side of the form. Include items 1 through 5 at the bottom of this page.

Operator:	Location of Well: County:
Lease:	feet from N / S Line of Section
Well Number:	feet from E / W Line of Section
Field:	Sec Twp S. R
Number of Acres attributable to well:	Is Section: Regular or Irregular
	If Section is Irregular, locate well from nearest corner boundary.  Section corner used: NE NW SE SW

### **PLAT**

Show location of the well. Show footage to the nearest lease or unit boundary line. Show the predicted locations of lease roads, tank batteries, pipelines and electrical lines, as required by the Kansas Surface Owner Notice Act (House Bill 2032).

You may attach a separate plat if desired.

NOTE: In all cases locate the spot of the proposed drilling locaton.

### 2158 ft.

### In plotting the proposed location of the well, you must show:

- 1. The manner in which you are using the depicted plat by identifying section lines, i.e. 1 section, 1 section with 8 surrounding sections, 4 sections, etc.
- 2. The distance of the proposed drilling location from the south / north and east / west outside section lines.
- 3. The distance to the nearest lease or unit boundary line (in footage).
- 4. If proposed location is located within a prorated or spaced field a certificate of acreage attribution plat must be attached: (C0-7 for oil wells; CG-8 for gas wells).
- 5. The predicted locations of lease roads, tank batteries, pipelines, and electrical lines.

# OIL AND GAS LEASE

AGREEMENT, Made and entered into the	Sband and wife
165 N. Rowdy Rd.	
Dighton, KS 67839	
whose mailing address is	hereinafter called Lessor (whether one or more), P.O. Box 2758, Wichita, Kansas 67201, hereinafter called Lessee:
Lessor, in consideration of  Ten and more of which is here acknowledged and of the royalties herein provided and of the agreements of exploring by geophysical and other means, prospecting, drilling, mining and operating for other fluids, and air into subsurface stran, laying pipe lines, storing oil, building tanks,	ar ar
manufacture, process, store and transport said oil, liquid hydrocarbons, gases and their respect employees, the following described land, together with any reversionary rights and after acquire County of Lane	ective constituent products and other products manufactured therefrom, and housing and otherwise caring for its ired interest, therein situated in described as follows, to-wit:
In Section 28 , Township 17 South , Range	29 West and containing 160 acres, more or less, and all accretions thereto.
Subject to the provisions herein contained, this lease shall remain in force for a term of long thereafter as oil, liquid hydrocarbons, gas or other respective constituent products, or any of in consideration of the premises the said lessee covenants and agrees:  1st. To deliver to the credit of lessor, free of cost, in the pipe line to which lessee m	Subject to the provisions herein contained, this lease shall remain in force for a term of Thirty (30) months from this date (called "primary ferm") and as long thereafter as oil, liquid hydrocarbons, gas or other respective constituent products, or any of them, is produced from said land or land with which said land is pooled.  In consideration of the premises the said lessee coverants and agrees.  In To deliver to the credit of lesso, if less of cost, in the pipe line to which lessee may connect wells on said land, the equal one-eighth (1/8) part of all oil produced and saved from the leased
premises.  2nd. To pay lessor for gas of whatsoever nature or kind produced and sold, or used c well, (but, as to gas sold by lessee, in no event more than one-eighth (1/8) of the proceed therefron, said paymens to be made monthly. Where gas from a well producing gas only	off the premises, or used in the manufacture of any products therefrom, one-eighth (1/8), at the market price at the s received by lessee from such sales), for the gas sold, used off the premises, or in the manufacture of products is not sold or used, lessee may pay or tender as royalty One Dollar (\$1.00) per year per net mineral acre retained
hereunder, and if such payment or tender is made it will be considered that gas is being prod This lease may be maintained during the primary term hereof without further paymen thereof, the lessee shall have the right to drill such well to completion with reasonable dilige in force with like effect as if such well had been completed within the term of years first men	tood within the meaning of the preceding paragraph.  It or drilling operations. If the lessee shall commence to drill a well within the term of this lease or any extension noe and dispatch, and if oil or gas, or either of them, be found in paying quantities, this lease shall continue and be trioned.
If said lessor owns a less interest in the above described land than the entire and u proportion which lessor's interest bears to the whole and undivided fee.  Lessee shall have the right to use, free of cost, gas, oil and water produced on said lan	ndivided fee simple estate therein, then the royalties, herein provided for shall be paid to said lessor only in the d for lessee's operation thereon, except water from the wells of lessor.
When requested by lessor, lessee shall bury lessee's pipe lines below plow depth.  No well shall be drilled nearer than 200 feet to the house or barn now on said premise Lessee shall pay for damages caused by lessee's operations to growing crops on said I	s without written consent of lesson.  Proceedings of the consent of lesson.  But and several response of the control of the co
Lessee shain nave the right at any time to reintove an machinicay and machine praced on If the estate of either party hereto is assigned, and the privilege of assigning in whole or assigns, but no change in the ownership of the land or assignment of rentals or royalties is copy thereof. In case lessee assigns this lesse, in whole or in part, lessee shall be relieved of	vian promotes, nontaining the repervolution of the heirs, executors, administrators, successors or in part is expressly allowed, the covenants hereof shall extend to the heirs, executors, administrators, successors hall be binding on the lessee until after the lessee has been furnished with a written transfer or assignment or a true all obligations with respect to the assigned portion or portions arising subsequent to the date of assignment.
Lessee may at any time execute and deriver to lesson to prace or recover a recease or reportion or portions and be relieved of all obligations as to the acreage surrendered.  All express or implied covenants of this lease shall be subject to all Federal and Six lessee held liable in damages, for failure to comply therewith, if compliance is prevented by, a Lesson hereby warrants and agrees to defend the title to the lands herein described, a other liens on the above described lands, in the event of default of payment by lessor, and b and assigns, hereby surrender and release all right of dower and homestead in the premises:	Lessee may at any time execute and deriver to tessor or prace of receases covering any portions or portions and be relieved of all obligations as to the acreage surrendered.  All express or implied covenants of this lease shall be subject to all Federal and State Laws, Executive Orders, Rules or Regulations, and this lease shall not be terminated, in whole or in part, nor lessee held liable in damages, for failure to comply therewith, if compliance is prevented by, or if such failure is the result of, any such Law, Order, Rule or Regulation.  Lessor hereby warrants and agrees to defend the title to the lands herein described, and agrees that the lessee shall have the right at any time to redeem for lessor, by payment any mortgages, taxes or other liens on the above described lands, in the event of default of payment by lessor, and be subrogated to the rights of the holder thereof, and undersigned lessors, for themselves and their heirs, successors and assigns, hereby surrender and release all right of dower and homestead in the premises described herein, in so far as said right of dower and homestead may in any way affect the purposes for which this
lease is made, as recited herein.  Lessee, at its option, is hereby given the right and power to pool or combine the acr when in lessee's judgment it is necessary or advisable to do so in order to properly develop a may be produced from said premises, such pooling to be of tracts contiguous to one anoth exceeding 640 acres each in the event of a gas well. Lessee shall execute in writing and re and describing the pooled acreage. The entire acreage so pooled into a tract or unit shall be in this lease. If production is found on the pooled acreage, it shall be treated as if production the royalties elsewhere herein specified, lessor shall receive on production from a unit so pointerest therein on an acreage basis bears to the total acreage so pooled in the particular unit	Lessee, at its option, is hereby given the right and power to pool or combine the acreage covered by this lease or any portion thereof with other land, lease or leases in the immediate vicinity thereof, when in lessee's judgment it is necessary or advisable to do so in order to properly develop and operate said lease premises so as to promote the conservation of oil, gas or other minerals in and under and the analysee's judgment it is necessary or advisable to do so in order to properly develop and operate said lease premises so a promote the conservation of oil, gas or other minerals in and under units not exceeding 80 acres each in the event of a noil well, or into a unit or units not exceeding 80 acres each in the event of a gas well.
