RE: Drilling the following wells:

- 1) Lehman #1-22 located 2650' NL & 1410' EL Section 22-21S-25W;
- 2) Lehman #1-27 located 1669' NL & 1462' WL Section 27-21S-25W
Hodgeman County, Kansas

Dear Mrs. Lehman:

Prior to issuing a permit to drill, the Kansas Corporation Commission is requiring the property owner be notified. We are planning to drill the two (2) captioned wells. The Operator is:

American Warrior, Inc.
P.O. Box 399
Garden City, KS 67846
Contact Man: Joe Smith - (620) 271-2258 - jsmith@pmtank.com

I'm enclosing a copy of the intents to drill filed with the KCC, a plat showing each well location, lease road and electric line locations. The wells will probably be connected to common tank battery located either on the south line of Section 22 or the north line of Section 27. This is all non-binding and preliminary, being there simply to satisfy State requirement. The actual locations will be determined after the dirt contractor is on location.

Lowell Foos with Lowell Foos Oilfield Tractor Works, Bazine, Kansas, will be building the lease roads and well site locations in accordance with the staking survey.

If you want to be involved in Lease Road, Tank Battery, Pipe & Electric Line locations, contact Mr. Lowell Foos (785) 731-5612, reference the captioned well name and coordinate with him.

Sincerely,

R. Evan Noll
