AFFIDAVIT

The undersigned hereby affirms that the drilling, completion and eventual plugging of this well will comply with K.S.A. 55 et. seq.

It is agreed that the following minimum requirements will be met:

1. Notify the appropriate district office **prior** to spudding of well;
2. A copy of the approved notice of intent to drill **shall be** posted on each drilling rig;
3. The minimum amount of surface pipe as specified below **shall be set** by circulating cement to the top; in all cases surface pipe **shall be set** through all unconsolidated materials plus a minimum of 20 feet into the underlying formation.
4. If the well is dry hole, an agreement between the operator and the district office on plug length and placement is necessary **prior to plugging**;
5. The appropriate district office will be notified before well is either plugged or production casing is cemented in;
6. If an ALTERNATE II COMPLETION, production pipe shall be cemented from below any usable water to surface within **120 DAYS** of spud date. Or pursuant to Appendix "B" - Eastern Kansas surface casing order #133,891-C, which applies to the KCC District 3 area, alternate II cementing must be completed within 30 days of the spud date or the well shall be plugged. **In all cases, NOTIFY district office** prior to any cementing.

Email Address: _____

Well Location:
____ - ____ - ____ - ____ Sec. ____ Twp. ____ S. R. ____ East West
County: _____
Lease Name: _____ Well #: _____

If filing a Form T-1 for multiple wells on a lease, enter the legal description of the lease below:

Surface Owner Information:

Name: _____
Address 1: _____
Address 2: _____
City: _____ State: _____ Zip: _____ + _____

When filing a Form T-1 involving multiple surface owners, attach an additional sheet listing all of the information to the left for each surface owner. Surface owner information can be found in the records of the register of deeds for the county, and in the real estate property tax records of the county treasurer.

If this form is being submitted with a Form C-1 (Intent) or CB-1 (Cathodic Protection Borehole Intent), you must supply the surface owners and the KCC with a plat showing the predicted locations of lease roads, tank batteries, pipelines, and electrical lines. The locations shown on the plat are preliminary non-binding estimates. The locations may be entered on the Form C-1 plat, Form CB-1 plat, or a separate plat may be submitted.

Select one of the following:

- I certify that, pursuant to the Kansas Surface Owner Notice Act (House Bill 2032), I have provided the following to the surface owner(s) of the land upon which the subject well is or will be located: 1) a copy of the Form C-1, Form CB-1, Form T-1, or Form CP-1 that I am filing in connection with this form; 2) if the form being filed is a Form C-1 or Form CB-1, the plat(s) required by this form; and 3) my operator name, address, phone number, fax, and email address.
- I have not provided this information to the surface owner(s). I acknowledge that, because I have not provided this information, the KCC will be required to send this information to the surface owner(s). To mitigate the additional cost of the KCC performing this task, I acknowledge that I am being charged a \$30.00 handling fee, payable to the KCC, which is enclosed with this form.

If choosing the second option, submit payment of the \$30.00 handling fee with this form. If the fee is not received with this form, the KSONA-1 form and the associated Form C-1, Form CB-1, Form T-1, or Form CP-1 will be returned.

Humphrey

Form 88 (Producers)
4-62

B OIL AND GAS LEASE

AGREEMENT, Made and entered February 4 1967 and between
Fred D. Humphrey, also known as Fred DeMott Humphrey and Helen L. Humphrey, his wife;
James Paul Humphrey and Patsy Ann Humphrey, his wife

Party of the first part, hereinafter called lessor (whether one or more) and
C R A Inc., Box 7305, Kansas City, Mo Party of the second part, hereinafter called lessee

WITNESSETH, That the said lessor for and in consideration of Ten and more DOLLARS cash in hand paid, receipt of which is hereby acknowledged, and of the covenants and agreements hereinafter contained on the part of the lessee to be paid, kept and performed, has granted, demised, leased and let and by these presents does grant, demise, lease and let unto and lessee for the purpose of investigating, exploring by geophysical and other means, prospecting, drilling, mining and operating for and producing oil, liquid hydrocarbons, all gases and their respective constituent products, injecting gas, water, other fluids and air into subsurface strata, laying pipe lines, storing oil, building tanks, power stations, roadways and other structures and things thereon to produce, save take care of, treat, process, store, transport and market said oil, liquid hydrocarbons, gases and their respective constituent products, the following described land together with any reversionary rights and after acquired interests herein situated in the County of Bourbon State of Kansas described as follows, to-wit: All of Section Thirty-Six (36)

of 24S Township 21E Range and containing 640 acres more or less

It is agreed that this lease shall remain in full force for a term of Five (5) years from this date, and as long thereafter as oil or gas, or either of them, is produced from said land by the lessee, or the premises are being developed or operated.

In consideration of the premises the said lessee covenants and agrees:

1. To deliver to the credit of lessor free of cost in the pipe line to which he may connect his wells, the equal one-eighth (1/8) part of all oil produced and saved from the leased premises.

2. The lessee shall pay to lessor gas produced from any oil well and used by the lessee for the manufacture of gasoline or any other product as royalty 1/8 of the market value of such gas at the mouth of the well, if said gas is sold by the lessee then as royalty 1/8 of the proceeds of the sale thereof at the mouth of the well. The lessee shall pay lessor as royalty 1/8 of the proceeds from the sale of gas as such at the mouth of the well where gas only is found and where such gas is not sold or used, lessee shall pay or tender annually at the end of each yearly period during which such gas is not sold or used as royalty an amount equal to the delay rental provided in the next succeeding paragraph hereof, and while said royalty is so paid or tendered this lease shall be held as a producing lease under the above term paragraph hereof, the lessor to have gas free of charge from any gas well on the leased premises for streets and inside lights in the principal dwelling house on said land by making his own connections with the well, the use of such gas to be at the lessor's sole risk and expense.

If no well be commenced on said land on or before February 4 1967, this lease shall terminate as to both parties, unless the lessee on or before that date shall pay or tender to the lessor, or to the lessor's credit in The Union State Bank at Uniontown, Kansas or its successors, which shall continue as the depository regardless of changes in title

of said land, the sum of Six Hundred Forty and no/100 DOLLARS, which shall operate as a rental and the next day of deferring the commencement of a well for twelve months from said date. In like manner and upon like payments or tenders the commencement of a well may be further deferred for like periods or the same number of months successively. All such payments or tenders of rental may be made by check, draft or any other assignment thereof, mailed or delivered on or before the rental paying date either direct to lessor or assigns or to said depository. And the lessor and lessee agreed that the consideration first recited herein, covers not only the privileges granted to the date when the first rental is payable as aforesaid, but also the lessee's option of extending that period as aforesaid, and any and all other rights conferred by this lease. And the lessor covenants and agrees to release or releases covering any portion or portions of the above described premises, and the lessee shall be relieved of all obligations as to the acreage surrendered and thereafter the acreage available hereunder shall be reduced in the proportion that the acreage covered hereon is reduced by said release or releases.

If the first well drilled on the leased premises shall be a second well is not commenced on said land within the period of the expiration of the last rental period for which payment has been made, this lease shall terminate as to both parties, unless the lessee on or before the expiration of said twelve month period resume the payment of rentals at the same amount and in the same manner as herein before provided. And it is agreed that upon the resumption of the payment of rentals, as above provided, that the last preceding paragraph hereof, governing the payment of rentals and the effect thereof, shall continue in force just as though there had been no interruption in the rental payments.

3. The lessor covenants and agrees in the above described land that the lessor shall hold the same in fee simple estate therein, then the royalties and rentals hereunder shall be payable only in the proportion which the acreage surrendered bears to the whole and undivided fee. However such rental shall or may be payable after any release or releases covering any portion or portions of the above described premises.

4. The lessee shall have the right to use, free of cost, gas, oil, and water produced on said land for its operation thereon, except water from wells of lessor.

5. When required by lessor, lessee shall bury gas pipe lines below plow depth.

6. No well shall be drilled nearer than 200 feet to the house or barn now on said premises, without the written consent of the lessor.

7. Lessee shall pay for damages caused by its operations to growing crops on said land.

8. Lessee shall have the right at any time to remove all machinery and fixtures placed on said premises, including the right to draw and remove casing.

If the well shall commence to drill a well within the term of this lease or any extension thereof, the lessee shall have the right to drill such well to completion with reasonable diligence and dispatch, and if oil or gas or either of them, be found in paying quantities, this lease shall continue and be in force with the same effect as if such well had been completed within the term of years herein first mentioned.

If the estate of either party hereto is transferred, and the privilege of transferring in whole or in part is expressly allowed, or if the rights hereunder of either party hereto are vested by descent or devise, the covenant hereof shall extend to and be binding on the heirs, devisees, executors, administrators, successors, assigns and no change in the ownership of said land or of any right hereunder shall be binding on the lessee until after lessee has been furnished with a certified copy of any transfer by lessor or with a certified copy of the will of lessor together with a transcript of the probate proceedings.

If the estate of either party hereto at the event lessor dies intestate and his estate is being administered, with a transcript of the administration proceedings or, in the case of the death of lessee and no administration being had on the estate, with an instrument satisfactory to lessee executed by lessor's heirs and assigns, the death of either party hereto shall not operate to affect or terminate this lease, and the lessee shall be relieved of all obligations with respect to the payment of rentals or royalties arising subsequent to the date of assignment. If the leased premises are now or hereafter owned in severalty or in co-tenancy, the lease hereunder may be developed and operated as an entirety, and the royalties shall be paid to each separate owner in severalty or in co-tenancy, as the case may be, in proportion to the acreage owned by each owner. This lease may hereafter be assigned by sale, devise, or otherwise, or to furnish separate measure of royalties on separate tracts.
