\*Ingress and egress to location as shown on this plot is per usage only and may not be legally opened for public use. Contact landowner, tenant and county road department for access.

\*Centralizing data is based upon the best maps and photographs available to us and upon a regular section of town containing 360 acres.  
 \*Adjacent section lines were determined using the nearest standard of oilfield standards. All bearings in the above are true bearings. The section corners, which establish the precise section lines, are not permanent. Therefore, the above should not be used as a basis for any legal action. In the event of a dispute, the parties should refer to the original survey records.
