Dear Mr. Klaus:

**This work was completed November 12, 2011.**

K.A.R. 82-3-602(e) requires operators of a surface pond to file a surface pond closure form within 30 days after the closure of the pond. For your convenience, we have enclosed a partially completed "CLOSURE OF SURFACE POND" form (CDP-4) to be filed with the Conservation Division of the KCC.

We would like to take this opportunity to thank you for allowing us to perform this work and hope that we may be of service in the future.

Sincerely,

Terry Hauser
