Show location of the well. Show footage to the nearest	lease or unit boundary line. Show the predicted locations of				
loage reads tank hatteries pipelines and electrical lines as re	oquired by the Kansas Surface Owner Notice Act (House Pill 2022)				

Show location of the well. Show footage to the nearest lease or unit boundary line. Show the predicted locations of lease roads, tank batteries, pipelines and electrical lines, as required by the Kansas Surface Owner Notice Act (House Bill 2032).

You may attach a separate plat if desired.

NOTE: In all cases locate the spot of the proposed drilling locaton.

### 110 ft.

# In plotting the proposed location of the well, you must show:

- 1. The manner in which you are using the depicted plat by identifying section lines, i.e. 1 section, 1 section with 8 surrounding sections, 4 sections, etc.
- 2. The distance of the proposed drilling location from the south / north and east / west outside section lines.
- 3. The distance to the nearest lease or unit boundary line (in footage).
- 4. If proposed location is located within a prorated or spaced field a certificate of acreage attribution plat must be attached: (C0-7 for oil wells; CG-8 for gas wells).
- 5. The predicted locations of lease roads, tank batteries, pipelines, and electrical lines.

ANALYSIS OF THE PROPERTY OF TH

and containing XXXXX

Subject to the provisions herein contained, this lease shall remain in force for a term of the said land with which said land is pooled." and as long thereafter inquirid hydrocarbons, gas or other respective constituent products, or any of them, is produced from said land or land with which said land is pooled." In consideration of the premises the said issue covenants and agrees:

1st. To deliver to the credit of lessor, free of cost, in the pipe line to which lessee may connect wells on said land, the equal one-eighth (1st) part of all oil produced and saved from the lessed premises.

2nd. To pay leasor for gas of whatsoever nature or kind produced and sold, or used off the premises, or used in the manufacture of any products therefrom, one-eighth (14) at the market price at the well, (but, as to gas sold by leases, in no event more than one-eighth (14) of the proceeds received by leases from such sales, for the gas sold, used off the premises, or in the manufacture of products therefrom, said payments to be made monthly. Where gas from a well producing gas only is not sold or used, leases may pay or tender as royalty One Dollar (\$1.00) per year per net mineral acre retained hereunder, and if such payment or tender is made it will be considered that gas is being produced within the meaning of the preceding paragraph.

This lease many purchases your period of the primary term hereof without further payment or drilling operations. If the lease shall commence to drill a well within the term of years finst mentioned, the lease shall have the right to drill auch well to completion with reasonable diligance and dispatch, and if oil or gas, or either of them, be found in paying quantities, this lease shall continue and be in force with like effect as if such well had been completed within the term of years finst mentioned.

If said leasor owns a less interest in the above described land than the entire and undivided fee.

If said leasor owns a less interest bears to the whole and undivided fee.

Lease shall have the right to use, fee cost, gas, oil and water produced on said land for lease's operation thereon, except water from the wells of leasor.

When requested by leasor, lease shall be cross, gas, oil and water produced on said premises without written consent of leasor.

Lease shall have the right to use, fee to the house or bann now on said premises without written consent of leasor.

Leases shall be drilled nearer than 200 feet to the house or bann now on said premises, including the right to draw and remove casing.

Leases shall have the right at any time to remove all machinery and fixtures placed on asignment of rentals or reyalties shall be binding on the lease until after the executors, administrators, accessors or assigns, and the privilege of assigning in whole or in part is expressly above described of all obligations with respect to the assigned portion or portions arising aubsequent to the date of assignment.

Lease may at any time execute and deliver to leaser or place of record a release or releases overing any portion or portions and be relieved of all obligations as to the acreage surrender this lease as to such portion or portions and be relieved of all obligations as to the acreage surrender this lease as to such portion or portions and be relieved of all obligations are transfer or release the relief of the

All express or implied covenants of this lease shall be subject to all Federal and State Laws, Executive Orders, Rules or Regulations, and this lease shall not be terminated, in whole or in part, nor lessee held liable in damages, for failure to comply therewith, if compliance is prevented by, or if such failure is the result of, any such Law, Order, Rule or Regulation.

Lessor hereby warrants and agrees to defend the title to the lands herein deacribed, and agrees that the lessee shall have the right of the holder thereof, and the undersigned, taxes or other liens on the above described lands, in the event of default of payment by lessor, and be subrogated to the rights of the holder thereof, and the undersigned lessors, for themselves and their heirs, successors and assigns, hereby surrender and release all right of dower and homestead in the premises described herein, in so far as said right of dower and homestead may in any way affect the purposes for which this lesse is made, as recited herein.

Lessee, at its option, is hereby given the right and power to pool or combine the acreage covered by this less or any portion thereof with other land, lease so in the sold, when in lessee's judgment it is necessary or advisable to do so in order to propopy develop and operate said lesse premises so as to promote the conservation of in, gas or other minerals in and under and that may be produced from said premises, such pooling to be of tracts configuous to one another and to be into a unit or units not exceeding 80 acres each in the event of an oil well, or into a unit or units not exceeding 80 acres records of the county in which the land herein lessed is situated an internment identifying and describing the pooled acresge. The entire acresing so acresses of the county in which the payment of royalities on production from the pooled and it, as if it were included in this lesse or not.
