If production is found on the pooled acreage, it shall be treated as if production is had from this lease, whether the well or wells be located on the premises covered by this lease or not. In lieu of the royalties elsewhere herein specified, lessor shall receive on production from a unit so pooled only such portion of the royalty stipulated herein as the amount of his acreage placed in the unit or his royalty interest therein on an acreage basis bears to the total acreage so pooled in the particular unit involved.

In the event this lease is not continued beyond the primary term by the provisions herein contained, Lessor hereby agrees that lessee, at its sole option, can renew any portion of this lease for an additional primary term of three years from the 2<sup>nd</sup> day of February, 2012, and as long thereafter as oil and gas or either of them is produced from said land by Lessee, said renewal to be under the same terms and conditions as contained in this lease.
