IN ALL CASES PLOT THE INTENDED WELL ON THE PLAT BELOW

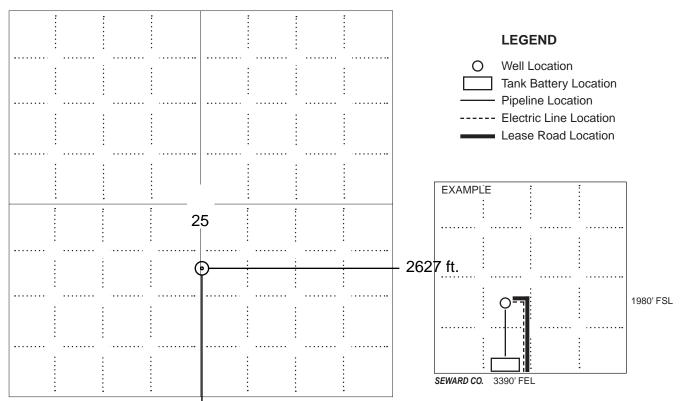

In all cases, please fully complete this side of the form. Include items 1 through 5 at the bottom of this page.

Operator:	Location of Well: County:	
Lease:	feet from N / S Line of Section	
Well Number:	feet from E / W Line of Section	
Field:	SecTwpS. R 🗌 E 🔲 W	
Number of Acres attributable to well:	Is Section: Regular or Irregular	
	If Section is Irregular, locate well from nearest corner boundary. Section corner used: NE NW SE SW	

PLAT

Show location of the well. Show footage to the nearest lease or unit boundary line. Show the predicted locations of lease roads, tank batteries, pipelines and electrical lines, as required by the Kansas Surface Owner Notice Act (House Bill 2032).

You may attach a separate plat if desired.

NOTE: In all cases locate the spot of the proposed drilling locaton.

1757 ft.

In plotting the proposed location of the well, you must show:

- 1. The manner in which you are using the depicted plat by identifying section lines, i.e. 1 section, 1 section with 8 surrounding sections, 4 sections, etc.
- 2. The distance of the proposed drilling location from the south / north and east / west outside section lines.
- 3. The distance to the nearest lease or unit boundary line (in footage).
- 4. If proposed location is located within a prorated or spaced field a certificate of acreage attribution plat must be attached: (C0-7 for oil wells; CG-8 for gas wells).
- 5. The predicted locations of lease roads, tank batteries, pipelines, and electrical lines.

Dear Mr. Salmans,

Prior to issuing a permit to drill, the Kansas Corporation Commission is requiring the property owner to be notified. The operator of the captioned well is: American Warrior, Inc.

P.O. Box 399 Garden City, Ks. 67846

Contact Man: Joe Smith - (620) 271-2258 -

jsmith@pmtank.com

As requested by R. Evan Noll, I am enclosing a copy of the intent to drill filed with the KCC, a plat showing the Well(s), Lease road, Pipe and Electric line locations. The Lease Road, Pipe and Electric line locations shown are non-binding and preliminary, being there simply to satisfy State requirements. The actual locations will be determined by the dirt man.

Lowell Foos with Lowell Foos Oilfield Tractor Works, Bazine, Kansas will build the lease roads and well site locations in accordance with the stake survey.

If you want to be involved in Lease Road, Pipe & Electric Line locations, contact Mr. Lowell Foos (785) 731-5612, referencing the captioned well names and coordinate with him.

Sincerely,

Diana Richecky

AWI-REG LEASE
OIL AND GAS LEASE
THIS AGREEMENT, Entered into this the 15th day of April 20 10 between
P.O. Box 399
Garden City, KS 67846
hereinafter called Lessor (whether one or more), and
See Description Rider attached hereto and made a part hereof
In Section XXX Township XXX Range XXX and containing 1767. We acres, more or less, and all accretions thereto.
Subject to the provisions herein contained, this leave shall remain in force for a term of <u>Fifteen</u> years from this date (called "primary term"), and as long thereafter as oil, liquid hydrocarbons, gas or other respective constituent products, or any of them, is or can be produced from said land with which said land is pooled. If, due to circumstances beyond Lessee's control, Lessee is unable to obtain a rotary drilling rig prior to the expiration of the primary term. Lessor agrees that Lessee shall have a reasonable time, not to exceed ninety (90) days, within which to obtain such rotary drilling rig and commence operations for the drilling of a well.
In consideration of the premises the said lessee covenants and agrees:
1". To deliver to the credit of lessor, free of cost, in the pipeline to which lessee may connect wells on said land, the equal one-eighth (1/8) part of all oil produced and saved from the leased premises.
2°d. To pay lessor for gas of whatsoever name or kind produced and sold, or used off the primises, or used in the manufacture of any produced therefrom, one-eighth (1/8), at the market price at the well, (but, as to gas sold by lessee, in no event more than one-eighth (1/8) of the proceeds received by lessee from such sales), for the gas sold, used off the primises, or in the manufacture of produced therefrom, said payments to be made monthly. At any time either before or after the explication of the primary term of this lesse, if there is a gas well or wells on the above land (and, for he purposes of this clause, the term "gas well" shall include wells capable of producing natural gas, condensate, distillate or any gascous substance and wells classified as gas wells by an governmental authority) and such well or wells are shut-in, before or after production therefrom, lessee or any assignce hereunder may pay or tender annually within sixty (60) days after the end of each yearly period during which such gas well or gas wells are shur-in, as substitute gas coyalty. One Dollar (\$1.00) per not mineral sore retained hereunder, for the acreage then held under this lesse, by the party making such payments or tenders, and, if such payments or tenders are made, it shall be considered under all provisions of this lesse that gas is being produced from the lessed premises in paying quantities. This lesso may be maintained during the primary term hereof without further payment or drilling operations. If the lessee shall commence to delil well within the term of this lesse or any extension thereof, the lessee shall have the right to drill such well to completion with reasonable diligance and completed within the term of years float mentioned.
If said lessor dwns a less interest in the above described land than the entire and undivided fee simple estate therein, then the royalties herein provided for shall be paid the said lessor only in the proportion which lessor's interest bears to the whole and undivided fee. Lossee shall have the right to use, free of cost, gas, oil and water produced on said land for lessor's operation thereon, cacept water from the wells of lessor.
Lesson shall bury lesson's pipelines below plow depth. No well shall be drilled nearer than 200 feet to the house or barn now on said pramises without written consent of lesson. Lessee shall pay for damages caused by lessee's operations to said land. Lessee shall have the right at any time to remove all machinery and fixtures placed on said premises, including the right to draw and remove easing. If the extate of either party hereto is assigned, and the privilege of assigning in whole or in part is expressly allowed, the covenants hereof shall exceed to their heirs, exceedure, administrators, successors or assigns, but no change in the ownership of the land or assignment of rentals or royalities shall be binding on the lessee until after the lessee has been furnished with a written transfer or assignment or a rue copy thereof. In case lessee assigns this lease, it whole or in part, lessee shall be relieved of all obligations with respect to the assigned portion or portions arising subsequent to the date of assignment. Lessee may at any time execute and deliver to lesser or place of record a release covering any portion or portions of the above described permises and thereby surrender this lease as to such portion or portions and be relieved of all obligations as to the series surrendered. All express or implied covenants of this lease shall be subject to all Federal and State Laws, Executive Orders, Rules or Regulations, and this lease shall not be terminated, in whole or in part, nor lessee held liable in damages, for failure to comply therewith, if compliance is prevented by, or if such failure is the result of, any such Law, Order, Rules or Regulations. Lessor herby warrants and agrees to defend the title to the lands herein described, and agrees that the lessee shall have the right at any time in other rights of the holder thereof, and the undersigned lesson, for themselves and their heirs, successors and assigns, hereby surrender and release all right of dower and homestead in the premises described h
into a unit or units not exceeding 40 acres each in the event of an oil well, or into a unit or units not exceeding 640 acres each in the event of a gas well. Lesses shall exceed in witing and record in the conveyance records of the county in which the land herein leased is insused an instrument identifying and describing the pooled acreage. The entire acreage so pooled into a tract or unit shall be treated, for all purposes except the payment of royaldes on production from the pooled acreage. It is tweet included in this lease. If production is found on the pooled acreage, it shall be treated as if production is had from this lease, whether the well or wells be located on the premises covered by this lease or not. In lieu of the royalties elsewhere herein specified, lessor shall receive on production from a unit so pooled only such portion of the royalty sipulsted herein as the amount of his acreage placed in the unit or his royalty interest them on a acreage basis bears to the total acreage so pooled in the pardicular unit involved. IN WITNESS WHEREOF, we sign the day and year first above written.
