Green Lease

SCALE 1" = 1000'

* Controlling data is based upon the best maps and photographs available to us and upon a regular section of land containing 640 acres.

*Appropriate section lines were determined using the normal standard of care of oilfield surveyors practicing in the state of Kansas. The section corners which establish the precise section lines were not necessarily located and the exact location of the oilfield location. In the section is located. These locations are not to be construed as being the mid-point and oil other parties relying thereon agree to hold Central Kansas Oilfields, Inc., its officers and employees harmless from all losses, costs and expenses and said entities released from any liability from incidental or consequential damages.

*Elevations derived from National Geodetic Vertical Datum.
