OIL AND GAS LEASE

hereinafter called Lessor Richard Rodie and Agreement, Made and entered into the 6th day of June, 2011, by and between, Richard Rodie a Rodie, husband and wife whose mailing address is 214 East Buckeye, Ness City, KS 67560 hereinafter (whether one or more), and Trans Pacific Oil Corporation 100 South Main, Suite 200, Wichita KS 67202 called Lessee; Lessor, in consideration of Ten and more Dollars (\$10.00+) in hand paid, receipt of which is here by acknowledged and the royalties herein provided and of the agreements of the lessee herein contained, hereby grants, leases and lets exclusively unto lessee for the purpose of investigating, exploring by geophysical and other means, prospecting, drilling, mining and operating for and producing oil, liquid hydrocarbons, all gases, and their respective constituent products, injecting gas, water, other fluids, and air into subsurface strata, laying pipe lines, storing oil, building tanks, power stations, telephone lines, and hydrocarbons, gases and their respective constituent products and other products manufactured therefrom, and housing and otherwise caring for its employees, the following described land, together with any reversionary rights and after-acquired interest, therein situated in the County of Ness. State of Kansas, described as follows, to-wit:

Southeast Quarter (SE/4)

and containing 160 acres, more or less, and all accretions thereto, 24W In Section 31 Township 17S Range

Subject to the provisions herein contained, this lease shall remain in force for a term of Two (2) years from this called "primary term"), and as long thereafter as oil, liquid hydrocarbons, gas or other respective constituent products, or of them, is produced from said landon-land with which said land is pooled.

In consideration of the premises the said lessee covenants and agrees:

1st. To deliver to the credit of lessor, free of cost, in the pipe line which lessee may connect wells on said land, the equal one-eighth (1/8th) part of all oil produced and saved from the leased premises.

2nd. To pay lessor for gas of whatsoever nature or kind produced and sold, or used off the premises, or used in the event more than one-eighth (1/8th), at the market price at the well, (but, as to gas sold by lessee, in no event more than one-eighth (1/8th) of the proceeds received by lessee received by lessee from such sales), for the gas sold, used off the premises, or in the manufacture of products therefrom, said payments to be made monthly. Where gas from a well producing gas only is not sold or used, lessee may pay or tender as royalty One Dollar (\$1.00) per year per net mineral acreatined hereunder, and if such payment or tender is made it will be considered that gas is being produced within the meaning of the preceding paragraph. This lease may be maintained during the primary term hereof without further payment or drilling operations. If the lessee shall commence to drill a well within the term of this lease or any extension thereof, the lessee shall have the right to drill such well to completion with reasonable diligence and dispatch, and if oil or gas, or either of them, be found in paying quantities, this lease shall continue and be in force with like effect as if such well had been completed within the term of years

If said lessor owns a less interest in the above described land than the entire and undivided fee simple estatc therein, then the royalties herein provided for shall be paid the said lessor only in the proportion which lessor's interest bears to the whole

shall have the right to use, free of cost, gas, oil and water produced on said land for lessee's operations thereon, except water from the wells of lessor, ressec

When requested by lessor, lessee shall bury lessee's pipe lines below plow depth.

or barn now on said premises without written consent of lessor. No well shall be drilled nearer than 200 feet to the house

Lessee shall pay for damages caused by lessee's operations to growing crops on said land.

Lessee shall have the right at any time to remove all machinery and fixtures placed on said premises, including he right to draw and remove casing. If the estate of either party hereto is assigned, and the privilege of assigning in whole or in part is expressly allowed, the covenants hereof shall extend to their heirs, executors, administrators, successors or assigns, but no change in the ownership of the land or assignment of rentals or royalties shall be binding on the lessee until after the lessee has been furnished with a written transfer or assignment or a true copy thereof. In case lessee assigns this lease, in whole or in part, lessee shall be relieved of all obligations with respect to the assigned portion or portions arising subsequent to the date of assignment.

Lessee may at any time execute and deliver to lessor or place of record a release or releases covering any portion or portions of the above described premises and thereby surrender this lease as to such portion or portions and be relieved of all obligations as to the acreage surrendered.

All express or implied covenants of this lease shall be subject to all Federal and State Laws, Executive Orders, Rules or Regulations, and this lease shall not be terminated, in whole or in part, nor lessee held liable in damages, for failure to comply therewith, if compliance is prevented by, or if such failure is the result of, any such Law, Order, Rule or Regulation.

the right at any time to redeem for lessor, by payment, any mortgage, taxes or other liens on the above described lands, in the event of default of payment by the lessor, and be subrogated to the rights of the holder thereof, and the undersigned lessor, for themselves and their, successors and assigns, hereby surrender and release all right of dower and homestead in the premises described herein, in so far as said right of dower and homestead may in any way affect the purposes for which this Lessor hereby warrants and agrees to defend the title to the lands herein described, and agrees that the lessee shall have

Lessee, at its option, is hereby given the right and power to pool or combine the acreage covered by this lease or any advisable to do so in order to properly develop and operate said lease premises so as to promote the conservation of oil, gas or another minerals in and under and that may be produced from said premises, such pooling to be of tracts contiguous to one 640 acres each in the event of an oil well, or into a unit of units not exceeding 40 acres each in the event of an oil well, or into a unit of units not exceeding which the land herein leased is situated an instrument identifying and describing the pooled acreage. The entire acreage so which the land herein leased is situated an instrument identifying and describing the pooled acreage. The entire acreage so as if it were included in this lease. If production is found on the pooled acreage, it shall be treated as if production is had from herein specified, lessor shall receive on production from a unit so pooled only such portion of the royalty stipulated herein as the amount of his acreage placed in the unit or his royalty interest therein on an acreage basis bears to the total acreage so

IN WITNESS WHEREOF, the undersigned execute this instrument as of the day and year first written.

Re: Drilling Pit Application RUFENACHT 'A' UNIT 1-32 SW/4 Sec.32-17S-24W Ness County, Kansas

Dear BETH A. ISERN:

District staff has inspected the above referenced location and has determined that the reserve pit shall be constructed **without slots**, the bottom shall be flat and reasonably level, and the free fluids must be removed. The fluids are to be removed from the reserve pit within 96 hours of completion of drilling operations.

If production casing is set all completion fluids shall be removed from the working pits daily. NO completion fluids or non-exempt wastes shall be placed in the reserve pit.

The fluids should be taken to an authorized disposal well. Please call the District Office at (620) 225-8888 when the fluids have been removed. Please file form CDP-5 (August 2008), Exploration and Production Waste Transfer, through KOLAR within 30 days of fluid removal.

A copy of this letter should be posted in the doghouse along with the approved Intent to **Drill**. If you have any questions or concerns please feel free to contact the District Office at (620) 225-8888.
