PLAT

(Show location of the well and shade acreage for prorated or spaced wells.)
 (Show footage to the nearest lease or unit boundary line.)

SEWARD CO.

NOTE: In all cases locate the spot of the proposed drilling locaton.

Controlling data is based upon the best maps and photographs available to us and upon a regular section of land containing 640 acres.
 Approximate section lines were determined using the normal standard of care of oilfield surveyors practicing in the state of Kansas. The section corners, which establish the precise section lines, were not necessarily located, and the exact location of the well in the section is not guaranteed. Therefore, the operator assuming this service and accepting this plat and all other services relating hereon agree to hold Central Kansas Oilfield Services, Inc., its officers and employees harmless from all losses, costs and expenses and civil penalties incurred with any liability from incidental or consequential damages.
