As requested by R. Evan Noll, I am enclosing a draft copy of the intent to drill to be filed with the KCC, a plat showing the Well(s), Lease road, Pipe and Electric line locations. The Lease Road, Pipe and Electric line locations shown are non-binding and preliminary, being there simply to satisfy State requirements. The actual locations will be determined by the dirt man.

Lowell Foos with Lowell Foos Oilfield Tractor Works, Bazine, Kansas will build the lease roads and well site locations in accordance with the stake survey.

If you want to be involved in Lease Road, Pipe & Electric Line locations, contact Mr. Lowell Foos (785) 731-5612, referencing the captioned well names and coordinate with him.
