- \* Controlling data is based upon the best maps and photographs available to us and upon a regular section of land containing 640 acres.
- \* Approximate section lines were determined using the normal standard of care of oilfield surveyors practicing in the state of Kansas. The section corners, which establish the precise section lines, were not necessarily located, and the exact location of the drillsite location in the section is not guaranteed.
- \* Elevations derived from National Geodetic Vertical Datum.

Date May 2, 2013

\*Ingress and egress to location as shown on this plat is per usage only and may not be legally opened for public use. Contact landowner, tenant and county road department for access.
