Re: Drilling Title Opinion covering the Bartlett-Zeigler Unit consisting of:

Northwest Quarter (NW/4) of Section Twenty-nine (29), Township Twenty-five (25) South, Range Twelve (12) West, Stafford County, Kansas, containing 160 acres, more or less (Bartlett lease); and,

Northeast Quarter (NE/4) of Section Twenty-nine (29), Township Twenty-five (25) South, Range Twelve (12) West, Stafford County, Kansas, containing 160 acres, more or less (Zeigler lease)

## Gentlemen:

At your request, we examined title to the above described property by means of record title examination conducted in the offices of the Register of Deeds, Clerk of the District Court and County Treasurer of Stafford County, Kansas, on July 29, 2013. Our examination covered the time period from date of earliest public record through date of examination at 8:00 o'clock a.m., including probate proceedings for the following Estates: Larry Lee Corbet, a/k/a Larry J. Corbet, Deceased, Case No. 11-PR-20; Shirley J. Corbet, Deceased, Rush County Case No. 09-PR-26; Claude M. Asher, Deceased, Case No. P 912; and Karl L. Asher, Deceased, Case No. 2863.

Based on the above evidence of title, we find the following ownership interests indicated:

#### **SURFACE**

Title to the surface of the NW/4 appears vested in:

DERON BARTLETT.

Title to the surface of the NE/4 appears vested in

ANNABELL ZEIGLER.

#### **MINERALS**

Title to the minerals of the NW/4 appears vested in

DERON BARTLETT.

Title to the minerals of the NE/4 appears vested in

#### ANNABELL ZEIGLER.

## **OIL AND GAS LEASEHOLD**

This property is subject to the following oil and gas leases:

## BARTLETT LEASE:

Lessors: Deron S. Bartlett and Deborah R. Bartlett, husband and wife

Lessee: H & D Energy, LLC

Date of lease: March 23, 2012

Leased premises: Northwest Quarter (NW/4) of Section 29, Township 25 South,

Range 12 West, Stafford County, Kansas, containing 160

acres, more or less

Lease form: Form 88--(Producer's Special) (Paid-up) 63U (Rev. 1993)

Filed: Book 229, page 515

Recorded: April 11, 2012

Royalty: 1/8th royalty reserved

Term: Two (2) years from March 23, 2012, and as long thereafter

. . .

Depository: Not applicable

Delay rental: Not applicable

Entireties clause: No

Unitization clause: Yes, 40 acres for oil and 640 acres for gas

Special provisions: "At the end of said lease, H & D Energy LLC has the option to

extend this lease for one year at \$10.00 per acre."

This oil and gas lease contains an Addendum consisting of 16 numbered paragraphs including, but not limited to, the following

provisions:

"Prior to the commencement of any well Lessee and the Lessor must agree upon the location of such well and associated roads"... "All exploratory or drilling or other production activity must be done at a time that will not conflict with normal surface

cropping or other usage of the land."

"After the cessation of each drilling or reworking operation Lessee shall promptly fence all pits resulting therefrom, if livestock is being pastured"... "Lessee shall in all events, and upon the abandonment of each well, restore the surface of the leased premises as nearly as practicable to the condition and contour existing prior to the commencement of Lessee's operations."

"Six (6) months from completion of any well drilled by Lessee and upon written request by Lessor, Lessee shall furnish to Lessor result of all tests made by Lessee in connection with its drilling operations on the leased premises."

... "that a producing gas well on the consolidated estate will not continue this lease as to oil, and that the same will terminate as to oil upon expiration of the primary term or cessation of production of oil from the above described real estate."

"It is the intention of the parties hereto that Lessee shall cause as little interference with farming, grazing and hunting operations on said land as reasonably possible; therefore no operations for drilling shall occur during the turkey, pheasant and deer hunting seasons."

"The installation of any salt water disposal equipment by Lessee and the operation of this lease shall be subject to the approval of Lessor, and shall be used only for the purposes of disposing of salt water produced from wells located on lands covered by this lease. In the event of disposal of salt water as herein provided, such salt water must be disposed of below the Glorietta Formation" . . .

"The use of water provided for under this lease is limited to use for drilling operations only."

"Lessee shall fence all slush pits and areas containing equipment that might be dangerous to livestock grazing on the land, and shall be responsible for any such livestock harmed or killed as a direct or indirect result of drilling or production operations."

You should carefully review the provisions of the Addendum and be prepared to comply with the same.

# ZEIGLER LEASE:

Lessor: Anna Bell Zeigler (marital status not indicated)

Lessee: H & D Energy, LLC

Date of lease: July 17, 2010

Leased premises: Northeast Quarter (NE/4) of Section 29, Township 25 South,

Range 12 West, Stafford County, Kansas, containing 160

acres, more or less

Lease form: Form 88--(Producer's Special) (Paid-up) 63U (Rev. 1993)

## Page 4

Filed: Book 222, page 3

Recorded: February 17, 2011

Royalty: 1/8th royalty reserved

Term: Two (2) years from July 17, 2010 and as long thereafter

. . .

Depository: Not applicable

Delay rental: Not applicable

Entireties clause: No

Unitization clause: Yes, 40 acres for oil and 640 acres for gas

Special provisions: "At the end of said lease, H & D Energy LLC has the option to

extend this lease for one year at \$5.00 per acre."

We have been provided with a copy of a check from H & D Energy, LLC, dated June 21, 2012, in amount of \$800.00 payable to Anna Bell Zeigler, which cleared your bank account on June 28, 2012, according to the information you provided to our office. This payment to Anna Bell Zeigler will extend this lease for an additional period of one year, to expire on July 17, 2013. An Affidavit of Lease Extension was recorded April 25, 2013, in Book 238, page 47.

The above described leases remain owned by H & D Energy, LLC.

#### **EASEMENTS**

The NW/4 is subject to the following easements:

a. Easement in favor of Cities Service Gas Company recorded February 14, 1947, in Book 18, page 110.

b. Easements in favor of Northern Natural Gas Company recorded September 16, 1977, September 23, 1977, and August 22, 1977, in Book 17, at pages 202, 204, 206 and 208, respectively.

The NE/4 is subject to the following easements:

a. Easement in favor of Cities Service Gas Company recorded February 14, 1947, in Book 18, page 117.

b. Easement in favor of Energy Dynamics, Inc., recorded September 21, 1989, in Book 97, page 727.

c. Easement in favor of Energy Dynamics, Inc., recorded September 21, 1989, in Book 97, page 729.

#### **MORTGAGES**

The NW/4 is subject to the following mortgages:

- a. Mortgage dated June 21, 2011, in favor of the United States of America, acting through the Farm Service Agency, United States Department of Agriculture, 18 East 7<sup>th</sup> Avenue, South Hutchinson, Kansas 67505, recorded June 23, 2011, in Book 224, page 546, in the principal amount of \$103,500.00. This mortgage covered an additional 80 acre tract of land.
- b. Mortgage dated June 21, 2011, in favor of Central Bank and Trust Co., 101 West Avenue A, P. O. Box 1366, Hutchinson, Kansas 67504-1366, recorded June 23, 2011, in Book 224, page 537, in the principal amount of \$115,000.00. This mortgage covered an additional 80 acre tract of land.

The above mortgages should be subordinated before drilling is commenced. However, we understand that your drilling schedule may not allow this. We have sent letters to the above mortgagees to request the subordinations, copies of which are enclosed.

We find no mortgages of record against the NE/4.

## PREVIOUS OIL AND GAS LEASES

The NW/4 and NE/4 have been the subject matter of previous oil and gas leases, but we are satisfied all the leases have terminated and expired by their own terms, either through lack of production or releases filed of record.

#### **DECLARATION OF UNITIZATION**

It is our understanding that a unit will need to be created for this well because of its location being closer than 330 feet from the lease line between the Bartlett and Zeigler leases. Your leases on these tracts allow a unit up to 40 acres, and legally, it has to be at least 10 acres. The unit will establish new lease lines, and the mineral owners on both tracts will share the royalty proportionate to their acreage in the unit. If production is established, please contact our office as we will need to file a Declaration of Unitization with the Stafford County Register of Deeds.

#### CONCLUSION

By reason of the foregoing, we conclude as follows:

- 1. You should avoid interference with the above described easements and any other easements discovered by a visual inspection of the property.
- 2. You are reminded of the various extra provisions attached to your lease on the NW/4. Please review these provisions and be prepared to comply with the same.
- 3. The above referred mortgages covering the NW/4 should be subordinated to your oil and gas lease. We have written letters to the two mortgages requesting subordinations of their mortgages, copies of these letters being enclosed.
- 4. You are reminded that if production is established, a Declaration of Unitization will need to be prepared and filed at the Stafford County Register of Deeds.

# Page 6

Subject to the foregoing, we approve title for drilling purposes.

Respectfully submitted,

Re: Drilling Pit Application Bartlett/Zeigler 1 NW/4 Sec.29-25S-12W Stafford County, Kansas

## Dear Gerald Achatz:

District staff has inspected the above referenced location and has determined that an unsealed condition will present a pollution threat to water resources.

District staff has recommended that the reserve pit be lined with bentonite or native clay, constructed <u>without slots</u>, the bottom shall be flat and reasonably level and the free fluids must be removed. The fluids are to be removed from the reserve pit as soon as the Hutchinson Salt section has been drilled through and displacement of the fluids into the reserve pit has occurred. The fluids should be removed again after drilling operations have ceased.

If production casing is set all completion fluids shall be removed from the working pits daily. NO completion fluids or non-exempt wastes shall be placed in the reserve pit.

The fluids should be taken to an authorized disposal well. Please call the District Office at (620) 225-8888 when the fluids have been removed. Please file form CDP-5 (August 2008), Exploration and Production Waste Transfer, through KOLAR within 30 days of fluid removal.

A copy of this letter should be posted in the doghouse along with the approved Intent to Drill. If you have any questions or concerns please feel free to contact the District Office at (620) 225-8888.
