NOTICE OF VIOLATION

SCOTT County, Kansas

Dear Operator,

Commission records indicate that you filed an Application for Surface Pit ("CDP-1") form for the referenced well along with your Intent to Drill. **We have not received a Closure of Surface Pit ("CDP-4") form.**

Commission records indicate that the referenced well was spudded more than 13 months ago. Under K.A.R. 82-3-602, drilling pits must be closed within 12 months after the spud date of the well. Further, an operator must submit a CDP-4 within 1 month after closing a pit.

If any drilling pits remain open, they must be closed.
Since no CDP-4 is on file, you are in violation of K.A.R. 82-3-602(c).

**Failure to submit a complete, accurate CDP-4
for the pit or pits associated with the referenced well
by November 6, 2013
shall be punishable by a \$100 per-well administrative penalty.**

The information requested above must be submitted on KOLAR.
Please contact me at (316) 337-6200 if you have any questions.

Sincerely,

KATHY HAYNES
