* Controlling data is based upon the best maps and photographs available to us and upon a regular section of land containing 360 acres.
 * Approximate section lines were determined using the nearest abundant lines of evidence surveyed and plotted in the state of Kansas. The section corners, which establish the precise section lines, were not necessarily located and the exact location of the drilled well location in the section is not guaranteed. Therefore, the operator assuming this service and accepting this plat, and all other employees herein agree to hold Central Kansas Utility Services, Inc., its officers and employees harmless from all losses, costs and expenses and said entities released from any liability from incidental or consequential damages.
 * Elevations derived from National Geodetic Vertical Datum.
