# Payless Concrete Products, Inc.

**CONDITIONS**  
Contracts to be delivered to the nearest accessible point (well, private road, under trucks, etc.) power. Due to delivery of owner's or intermediary's location, weather, delays, obstructions, etc., changes in any manner by customer, including delivery, obstructions, etc., which are all customer's risk. The maximum allowed time for unloading is 15 minutes per yard. A charge will be made for loading, unloading, etc. This company's concrete mixer contains no strength or air indicators. We do not assume responsibility for strength test results unless a written request is made.  
**NOTICE TO CUSTOMER**  
It is the policy of this contractor to pay those people supplying material or services to complete this contract. Our goal is to be a member of the team on the property which is the subject of the contract.
