Payless Concrete Products, Inc.

CONCRETE
Concrete to be delivered to the nearest accessible point from portable plant
within 1000' of destination. Due to delivery at owner's or contractor's direction,
owner assumes the responsibility for adequacy in any manner for sidewalks,
roadways, driveways, bridges, ramps, slabs, etc., which are at contractor's
risk. The maximum weight limit for unloading is 5000 lbs per yard. A
charge will be made for loading trucks longer. This concrete contains cement
water contents for strength per mix indicated. We do not assume responsibility for
strength test when water is added at customer's request.
NOTICE TO OWNER
Failure of the contractor to pay these persons supplying material or services to
complete this concrete contract is the duty of a subcontractor on the property
which is the subject of this contract.
