Payless Concrete Products, Inc.

CONCRETE
Concrete to be delivered to the nearest accessible point, under favorable conditions, under truck's own power. Due to delivery of concrete, or alternative's delivery, other methods of transportation by other means such as skid steer, roadway, driveway, building, area, etc., which are at customer's risk. The maximum loading time for unloading trucks is 30 minutes per truck. A charge will be made for holding trucks longer. This amount is negotiable with customer for change of mix and pump. We do not assume responsibility for strength when water is added to customer's cement.
NOTICE TO OWNER
Failure of this contractor to pay does not constitute liability or ability to complete this contract can result in the King of a mechanic's lien on this property which is the subject of this contract.
