Abandonment procedure of pit: Fresh water pit is still open, but not in use. Well pad and pit were constructed, but only the conductor casing strings were installed for Smith Farms 3208 7-1 (15-077-21817-0000) and 7-1H (15-077-21818-0100). Both wells shared the same fresh water pit. The remaining casing strings were not drilled, hence there were no cuttings or fluids generated. Accordingly, no CDP-5's have been filed for these wells.
