 Dear Customer: The driver of the truck in presenting this RELEASE to you for your signature is of the opinion that the size and weight of the truck is such that it is difficult to maneuver in the tight spaces of your property. It is our wish to help you in every way that we can, but in order to do this the driver is requesting that you sign this RELEASE relieving him and this supplier from any responsibility from any damage that may occur to the premises and/or adjacent property, buildings, sidewalks, driveways, curbs, etc. by the delivery of the material, and that you also agree to help him remove mud from the wheels of his vehicle so that he will not tire the public street. Further, as additional consideration of the truck, the driver agrees to pay for any and all damages to the premises and/or adjacent property which may be claimed by anyone to have arisen out of delivery of this order.
