In compliance with the "Surface Owners Notification Act" I am sending you a copy of the "Intent to Drill Application" that we have filed with the Kansas Corporation Commission (KCC) in order to obtain a permit to drill on the above referenced land. The drilling contractor, Shields Drilling, is scheduled to move in around the 20<sup>th</sup> of September 2014. Attached to the application is a map displaying the non binding placement of oil production equipment. If you have any questions at all feel free to give us a call.

Thank you,
