RE: API well No. 15-051-24585
National Loan Company 2-1
Sec. 1-12S-16W
Ellis County, KS

Dear Richard,

Mid Continent Energy Corporation is filing for Temporary Abandonment form CP111 today on the National Loan Company 2-1 well.

Early this month we shot 3D seismic on the National Loan Company lease. We should have the seismic interpretation in early December. When that happens we will determine if we want to drill a new well and plug and abandon the 2-1 well or possibly attempt to re-work the well in hopes of making it a producing well. All of this should happen in January or February of 2015.

Thank you for helping and understanding of this issue.

Sincerely,
Mid-Continent Energy Corporation

Jack N. Buehler
