Dear Owners;

Prior to drilling a well, the KCC requires that we notify the landowner. The Operator of the captioned well(s) is:

K3 Oil & Gas
211 Highland Cross
Suite 230
Houston, TX 77073
Contact: Douglas Pollak – (832) 234-0811

I am enclosing a copy of the Intent to Drill filed with the KCC, a plat showing the well location, lease road, pipeline, electric line and tank battery location. The locations shown are non-binding and preliminary, being shown simply to satisfy State requirement. The actual location will be determined when the dirt contractor goes to the location.

Flatlander Dirtwork, LLC in Hays, Kansas, will be building the lease road and well site location in accordance with the staking survey. If you wish to be involved with the locations, please contact Joel Young at (785) 623-7744, reference the captioned well name and coordinate with them.

A handwritten signature in black ink, appearing to read 'Douglas A. Pollak', written in a cursive style.
