#### Recommendation

The referenced well is recommended for plugging and abandonment.

#### **Discussion**

The Nagel B-1 was producing 6 MCFPD when it was abandoned in June of 2014. The well was drilled in 1961 to a depth of 4,124'. Cumulative production has been 601 MMCF of natural gas.

The well has produced a cumulative 55 MMCF & 384 BO and has 70 MMCF remaining reserves (2Q10). Geology has determined no uphole potential and the well has been temporarily abandoned. The lease has expired and Chesapeake has plugging liability.

The gross estimate AFE cost to P&A the well is \$26M (\$22.3M net to COI). Partner approval will be necessary to commence operations.

Your approval is respectfully requested.

Re: Plugging Application API 15-185-10481-00-00 NAGEL B 1 SW/4 Sec.03-24S-15W Stafford County, Kansas

Dear Katie Wright:

The Conservation Division has received your Well Plugging Application (CP-1).

Under K.A.R. 82-3-113(b)(2), you must notify DISTRICT 1 of your proposed plugging plan at least 5 days before plugging the well. DISTRICT 1's phone number is (620) 225-8888. Failure to notify DISTRICT 1, or failure to file a Well Plugging Record (CP-4) after the well is plugged will result in a penalty recommendation.

Under K.A.R. 82-3-600, you must file an Application for Surface Pit (CDP-1) if you wish to use a workover pit while plugging the well. Failure to timely file a CDP-1, failure to timely remove fluids, or failure to timely file Closure of Surface Pit (CDP-4) or Waste Transfer (CDP-5) forms will result in a penalty recommendation.

This receipt does NOT constitute authorization to plug this well if you do not otherwise have the legal right to do so.

This receipt is VOID after July 30, 2015. If the well is not plugged by then, you will have to submit a new CP-1 if you wish to plug the well.

The July 30, 2015 deadline does NOT override any compliance deadline given to you by Legal, District, or other Commission Staff. Failure to comply with any given deadline will still result in the Commission assessing penalties, or taking other legal action.

Sincerely, Production Department Supervisor
