NOTE: We reserve the right to refuse delivery over hazardous terrain. We assume no responsibility for damage inside curbs or property lines and our trucks enter private property at the sole risk of the purchaser.

This batch of concrete is mixed with the proper amount of water for maximum strength: If additional water is desired, please instruct the driver. Additional water, however, weakens the mix design, and the P.S.I. strength is voided.

Driver: You are instructed to add _____ gallons of water.
