INSTRUCTIONS: Show important tops of formations penetrated. Detail all cores. Report all final copies of drill stems tests giving interval tested, time tool open and closed, flowing and shut-in pressures, whether shut-in pressure reached static level, hydrostatic pressures, bottom hole temperature, fluid recovery, and flow rates if gas to surface test, along with final chart(s). Attach extra sheet if more space is needed.

Final Radioactivity Log, Final Logs run to obtain Geophysical Data and Final Electric Logs must be emailed to kcc-well-logs@kcc.ks.gov. Digital electronic log files must be submitted in LAS version 2.0 or newer AND an image file (TIFF or PDF).

Rig up to the well. Hook into 2 7/8 tubing. Started down with water the break circulation @18 Bbl down hole. Followed by 8 bbls of gel and kept on pumping water behind gel to surface before starting on cement. Once gel made it to surface started down hole with 101 sx of 60/40 2% cement mixed at 14.4 ppg pumping at 2.0 bpm. Afterward cleaned cement out of pump then pumped down the plug with four bbl of water. Once the plug hits bottom the pump shut down at 1500 psi. Released psi down to 700 then shut the well. Cleaned up truck and fittings then was off location. 4 bbl of cement return to surface.

TERMS: Cash in advance unless Hurricane Services Inc has approved credit prior to sale. Credit terms of sale for approved accounts are total invoice due on or before the 30th day from the date of invoice. Past due accounts may pay interest on the balance past due at the rate of 1 1/2% per month or the maximum allowable by applicable state or federal laws if such laws limit interest to a lesser amount. In the event it is necessary to employ an agency and/or attorney to affect the collection of said account, Customer hereby agrees to pay all fees directly or indirectly incurred for such collection. In the event that Customer's account with HSI becomes delinquent, HSI has the right to revoke any and all discounts previously applied in arriving at net invoice price. Upon revocation, the full invoice price without discount will become immediately due and owing and subject to collection.
