Re: Temporary Abandonment API 15-071-20348-00-00 WATSON FARMS 2 NW/4 Sec.19-20S-39W Greeley County, Kansas

Dear Tab Bartling:

Your application for Temporary Abandonment (TA) for the above-listed well is denied for the following reasons(s):

Wireline test / fluid level test must be witnessed

Pursuant to K.A.R. 82-3-111, the well must be plugged, or returned to service, or obtain temporary abandonment status by September 13, 2016.

This deadline does NOT override any compliance deadline given to you in any Commission Order.

You may contact me if you have any questions.

Sincerely, Michael Maier KCC DISTRICT 1
