	1									

If well is on a time clock, barrel test and fluid level status should be taken. If possible, after running the well on hand for at least 12 hours, if the well will not over pump. Fluid pound and balance status should be determined before putting the well on hand and/or just prior to the end of a time clock cycle.

A. Just prior to end of time clock cycle in normal operation.

C. After well had been left on hand for \_\_\_\_\_ hours.

B. Number of minutes or hours in time clock cycle?

D. Well is not on a time clock.

Re: Temporary Abandonment API 15-195-20127-00-00 Carpenter 1 SW/4 Sec.13-11S-23W Trego County, Kansas

## Dear Bruce Meyer:

"Your temporary abandonment (TA) application for the well listed above has been approved. In accordance with K.A.R. 82-3-111 the TA status of this well will expire 08/16/2017.

- \* If you return this well to service or plug it, please notify the District Office.
- \* If you sell this well you are required to file a Transfer of Operator form, T-1.
- \* If the well will remain temporarily abandoned, you must submit a new TA application, CP-111, before 08/16/2017.

You may contact me at the number above if you have questions.

Very truly yours,

**RICHARD WILLIAMS"**
