ROAD
FLAGGED ROAD
OPPOSITE LOC

- Approximate section lines were determined using the normal standard of care of oilfield surveyors practicing in the state of Kansas. The section corners, which establish the precise section lines, were not necessarily located and the exact location of the driftless location in the section is not guaranteed. Therefore, the operator, securing and accepting this plat and all other parties relying thereon agree to hold Central Kansas Driftless Services, Inc., its officers and employees harmless from all losses, costs and expenses and solid anti-risk thereon from any liability from incidental or consequential damages.
- Elevations derived from National Geodetic Vertical Datum.
