WHEREAS, on December 16, 2013, Berry completed the transactions contemplated by the merger agreement between Linn Energy, LC, and Berry pursuant to which LC acquired all of the outstanding common shares of Berry and Berry became an indirect wholly owned subsidiary of Linn Energy;

WHEREAS, all employees of Berry that were retained after completion of such transactions became employees of LOI and, along with other LINN personnel, have provided administrative, management, operating, and other services and support to Berry in accordance with an agency agreement and power of attorney;

WHEREAS, in connection with the provision of such services and support, various assets, contracts, permits, records, funds, and other rights and interests attributable or relating to Berry’s business were acquired or have been held by or in the name of LOI, and various gathering, processing, sales and similar midstream and marketing contracts related to Hydrocarbons owned by Berry have been entered into by LOI or LM;

WHEREAS, on May 11, 2016, Linn Energy and its subsidiaries (including Berry) filed voluntary petitions for relief under Chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Southern District of Texas;

WHEREAS, on July 11, 2016, Berry filed a Statement of Assets and Liabilities and Schedule of Financial Affairs reflecting all of the real and personal property and other assets and interests owned by Berry as of May 11, 2016 (the “**Berry Statement of Assets and Liabilities**”);

WHEREAS, an Amended Joint Chapter 11 Plan of Reorganization of Linn Acquisition Company, LLC and Berry Petroleum Company, LLC (as amended, supplemented, or otherwise modified, the “**Berry Consensual Plan**”) was filed on December 21, 2016, and an Amended Joint Chapter 11 Plan of Reorganization of Linn Energy, LLC and its Debtor Affiliates Other Than Linn Acquisition Company, LLC and Berry Petroleum Company, LLC (as amended, supplemented, or otherwise modified, the “**LINN Consensual Plan**”) was filed on December 21, 2016; and

WHEREAS, the Parties are entering into this Agreement in accordance with the Berry Consensual Plan and the LINN Consensual Plan in order to set forth the terms and conditions pursuant to which (i) LINN will continue to provide, or cause to be provided, administrative, management, operating, and other services and support to Berry during a transitional period following the Effective Date and (ii) LINN and Berry will separate their previously combined enterprise and transfer all Berry Related Assets (and any other Berry Assets held in the name of LINN) to Berry under the terms and conditions specified herein.

NOW, THEREFORE, in consideration of the premises set forth in the recitals above and the covenants set forth herein and the benefits to be derived hereunder, the Parties agree as follows.

Agreement

1. Transition Services. LINN shall provide, or cause to be provided, to Berry the services described in this Article 1 and Exhibit B (collectively, the “**Services**”) during the Transition Period, and, with respect to the portion of the Services described in Sections 1.8, 1.11, 1.13, 1.14, 1.16 and 1.17 during the Accounting Period. Subject to Section 2.1, the Services shall be substantially the same as, and at the same level and manner as, those that have been provided with respect to the Berry Assets during the three month period immediately preceding the Effective Date (the “**Reference Period**”), and in addition shall include the provision of certain historical operating and financial data as provided herein. For the avoidance of doubt, LINN shall have the right to perform particular portions of the Services through (i) one or more of the LINN entities or (ii) to the extent previously performed by one or more Third Parties, such Third Party or Third Parties (or any other Third Parties determined by LINN to be reasonably equivalent; provided, however, that, if such other Third Parties are to perform material Third Party activities (such as drilling contractors), then such other Third Parties must be approved by Berry in advance for such portion of the Services); provided, however, that no such performance by a LINN entity or a Third Party of a portion of the Services shall

relieve LINN collectively from any liability under this Agreement with respect to such portion of the Services; provided, further, that if Berry does not approve a Third Party's provision of Services and such failure causes LINN to be unable to provide the Services on a commercially reasonable basis, LINN will be excused from performing such Services or portion thereof without penalty until an acceptable provider is approved by Berry.

- 1.1 Operator Services. LINN shall continue to be the operator of record for the Operated Berry Properties during the Transition Period of this Agreement. During the Transition Period, LINN shall (i) continue to perform, on Berry's behalf, Berry's duties as operator of the Operated Berry Properties and (ii) provide such additional operations services with respect to the Operated Berry Properties that are described in Section 1.1 of Exhibit B. For the avoidance of doubt, LINN's obligations under this Agreement relative to accounting and disbursement of production are limited to the production of Hydrocarbons prior to the end of the Transition Period, as further described in Sections 1.1, 1.6, and 1.11 of Exhibit B.
- 1.2 Non-Operator Services. During the Transition Period, LINN shall perform the administrative and management services with respect to the Non-Operated Berry Properties that are described in Section 1.2 of Exhibit B. LINN shall promptly provide Berry with customary details, and obtain prior written consent from Berry, for any authorizations for expenditure ("AFE") or other proposals submitted to LINN from any Third Party operator of the Non-Operated Berry Properties (in each case, to the extent any of the foregoing are provided by such Third Party operator), it being understood that LINN will request additional detail or information regarding such AFE or other proposal on behalf of Berry if requested by Berry. If Berry fails to respond in writing 24 hours in advance of the deadline provided by a Third Party or under the applicable contract with respect to such AFE or other proposal, then LINN may respond in the ordinary course of business using its business judgment to determine the response that, in LINN's reasonable belief based on the information available to LINN, would be in the best interest of Berry; provided, however, that LINN shall not owe, and nothing herein shall be deemed to impose, any fiduciary duties in favor of Berry. LINN shall promptly forward to Berry any AFE related to the Berry Properties that LINN receives subsequent to the end of the Transition Period.
- 1.3 Permits. LINN shall use reasonable best efforts to maintain all Berry Permits as described in Section 1.3 of Exhibit B during the Transition Period. With respect to the Berry Permits that are held in the name of LINN and are transferable or assignable, LINN shall transfer or assign such Berry Permits to Berry on or before the end of the Transition Period, as appropriate, and Berry shall accept such transfer or assignment if required under Applicable Law; provided, however, that any costs or expenses associated with such transfer or assignment shall be the sole responsibility of, and paid entirely by, Berry in accordance with and subject to the terms and conditions of Section 5.2(A). LINN shall have no obligation to secure the required bonding, insurance, registration, or approvals to do business in a

written instructions, if any, provided by such chief executive officer or his designee with respect to particular aspects of the Services. Notwithstanding anything herein to the contrary, (i) in no event shall LINN be required to act in a manner inconsistent with its health, safety and environmental policies in effect as of the Execution Date and (ii) LINN may take any action it deems necessary in its reasonable belief and in good faith to prevent or avoid imminent risk to life or property.

3. Berry Separation.

3.1 Assets

- (A) Representation. LINN represents and warrants that no real or personal property was transferred from Berry to LINN at any time between December 1, 2013 and the Effective Date. To the extent either Party discovers that the foregoing is inaccurate, the Parties will take all steps necessary pursuant to Section 3.7 to transfer such real or personal property back to Berry. The foregoing is the sole and exclusive remedy with respect to any breach of the representations and warranties set forth in this paragraph (A) of Section 3.1.
- (B) Berry Assets. As used in this Agreement, the “**Berry Assets**” shall mean all real and personal properties, assets and interests that are part of the Berry Estate, including all real and personal properties, assets and interests described on the Berry Statement of Assets and Liabilities. Without limiting the foregoing, the “Berry Assets” shall include all of Berry’s right, title and interest in, to or under the following (it being expressly understood that some of the following are interests in properties in which Berry is a joint interest owner with LINN and that all references to Schedules in this Section 3.1(B) are for information purposes only and shall not expand or diminish the property of the Berry Estate or the LINN Estate, as applicable):
 - (i) the Leasehold Interests and Mineral Interests summarized on the Berry Statement of Assets and Liabilities and as further described on Schedule 1, and Berry’s interest in the Leases and lands included in any units with which such Leasehold Interests and Mineral Interests (or the lands covered thereby) may have been pooled, unitized, or communitized (collectively, the “**Berry Leasehold and Mineral Interests**”);
 - (ii) the interests in oil, gas, water, disposal, observation, or injection wells located on or traversing the Berry Leases and Mineral Interests, whether producing, non-producing, plugged, unplugged, shut-in, or temporarily abandoned, as described on Schedule 2 (collectively, the “**Berry Wells**”, and together with the Berry Leasehold and Mineral Interests, the “**Berry Properties**”);

Except to the extent otherwise stated in this Conveyance, references to "Articles" and "Sections" are to Articles and Sections of this Conveyance, and references to "Exhibits" are to Exhibits attached to this Conveyance, which are made a part hereof for all purposes. Section 3.5. Governing Law; Jurisdiction.

(a) **THIS CONVEYANCE AND ANY DISPUTES OR CLAIMS HEREUNDER SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF TEXAS WITHOUT REGARD TO THE LAWS THAT MIGHT BE APPLICABLE UNDER CONFLICTS OF LAWS PRINCIPLES.**

(b) The Parties agree that the appropriate, exclusive and convenient forum for any disputes between any of the Parties arising out of this Conveyance or the transactions contemplated hereby shall be in any state or federal court in Houston, Texas, and each of the Parties irrevocably submits to the jurisdiction of such courts solely in respect of any legal proceeding arising out of or related to this Conveyance. The Parties further agree that the Parties shall not bring suit with respect to any disputes arising out of this Conveyance or the transactions contemplated hereby in any court or jurisdiction other than the above specified courts; *provided, however*, that the foregoing shall not limit the rights of the Parties to obtain execution of judgment in any other jurisdiction. The Parties further agree, to the extent permitted by Law, that a final and unappealable judgment against a Party in any action or proceeding contemplated above shall be conclusive and may be enforced in any other jurisdiction within or outside the United States by suit on the judgment, a certified copy of which shall be conclusive evidence of the fact and amount of such judgment. Except to the extent that a different determination or finding is mandated due to the applicable law being that of a different jurisdiction, the Parties agree that all judicial determinations or findings by a state or federal court in Houston, Texas, with respect to any matter under this Conveyance shall be binding.

(c) To the extent that any Party has or hereafter may acquire any immunity from jurisdiction of any court or from any legal process (whether through service or notice, attachment prior to judgment, attachment in aid of execution, execution or otherwise) with respect to itself or its property, each such Party hereby irrevocably (i) waives such immunity in respect of its obligations with respect to this Conveyance and (ii) submits to the personal jurisdiction of any court described in Section 3.5(b).

(d) **THE PARTIES AGREE THAT THEY HEREBY IRREVOCABLY WAIVE THE RIGHT TO TRIAL BY JURY IN ANY ACTION TO ENFORCE OR INTERPRET THE PROVISIONS OF THIS CONVEYANCE.**

Section 3.6 Interpretation. It is expressly agreed by the Parties that this Conveyance shall not be construed against any Party, and no consideration shall be given or presumption made, on the basis of who drafted this Conveyance or any provision hereof or who supplied the form of this Conveyance. Each Party agrees that this Conveyance has been purposefully drawn and correctly reflects its understanding of the transactions contemplated by this Conveyance and, therefore, waives the application of any Law providing that ambiguities in an agreement or other document will be construed against the party drafting such agreement or document. In construing this Conveyance, the headings and titles herein are for convenience only and shall have no significance in the interpretation hereof.

Section 3.7. Counterparts. This Conveyance may be executed in counterparts, each of which shall be deemed an original instrument, but all such counterparts together shall constitute but one instrument; *provided, however*, that to facilitate recording or filing of this Conveyance, each recorded or filed counterpart may contain only a portion of Exhibit A as provided in Section 3.8 of this Conveyance.

Section 3.8. Recordation. To facilitate recordation or filing of this Conveyance, each counterpart filed with a county or state agency or office may contain only those portions of Exhibit A that describe property under the jurisdiction of that agency or office. Such counterparts shall, when taken and read together, constitute a single conveyance of the Oil and Gas Assets described herein or therein, notwithstanding any duplicate descriptions of the Oil and Gas Assets that may be contained in such counterparts. A complete counterpart of this Conveyance containing a full description of all of the Oil and Gas Assets is available for review at Assignee's address listed in the preamble to this Conveyance.

Operator Summary between XTO, Linn and Berry

This summary is in response to the KCC requirement to attach Assignments and Bills of Sale to every county's T-1 Change of Operator well filings. Due to the nature of Linn's property exchange with XTO and Berry, an ABOS does not exist between Linn and Berry. This summary of the Exchange will hopefully allow the KCC to accept a TSA and Separation Agreement that was executed during Linn and Berry's separate emergence from bankruptcy earlier this year. In 2013, Berry merged with Linn Energy, LC and became an indirect wholly owned subsidiary to Linn. Because of this, all XTO properties in a subsequent acquisition were assigned a split ownership between Linn and Berry – Linn was given 21.99% and Berry was given 78.01% of all ownership in XTO's properties being acquired. Because Berry was a wholly owned subsidiary to Linn, Linn operated all XTO properties, despite having a smaller ownership. Thus, an assignment from Linn to Berry was not necessary when Berry emerged from bankruptcy as its own independent entity because Berry already possessed ownership from XTO. Instead, a Transition Services and Separation Agreement was used. Linn and Berry also agreed Linn would maintain its status as Operator for all Hugoton assets in which Berry possessed a majority working interest. However, this agreement is now void because Berry sold its Hugoton properties to Scout. Now that Scout has acquired a majority working interest in the properties that Linn was operating on behalf of Berry, Scout will now take over as operator. What Linn can provide in its Change of Operator filings is the original ABOS from XTO to Berry and Linn and the Transition Services and Separation Agreement between Linn and Berry. So far, no one at Linn has caught wind of and ABOS between Berry and Scout, so we would not be able to provide one at this point in our filings. Please let me know as soon as possible if this proposal is acceptable for T-1 approval. Also, I'd be happy to answer any questions you may have.

Thank you,

Marcela Engles
