RE: Davis C Lease 2002; Lease No. 20094
W/2 NE/4 of 29-1-18, Phillips County, KS

Ladies and Gentlemen:

This will supplement your prior division order effective June, 1994, on the above referenced lease. Brett T. Nowak wrote Pat Cochran at NPF Energy Corporation in California a letter dated June 1, 2005, indicating that due to the lack of sales on the lease an undated division order opinion would be necessary. He referred to the lease as Davis C - 50164.

I have examined records of the Phillips County Register of Deeds, Clerk of the Court and Phillips County Treasurer's Office with respect to the W/2 NE/4 of 29-1-18, from June of 1994, to June 13, 2005, at 7:00 A.M. As a result of my examination, the records still show the entire net revenue working interest shown in your division order as owned by Pat H. Cochran and Nancy J. Cochran. I have not verified the interest but your prior division order interest showed .82031250 net revenue working interest. That has not changed of record since 1994.

Due to the fact that production had ceased for a period of time, a Ratification of the 1968 Oil and Gas Lease was obtained by all of the present mineral owners. That Ratification resolves the issue of whether or not the lease can still be produced by Pat Cochran and NPF Energy.

With respect to the royalty and overriding royalty interests, there have been some minor changes. The interest of the Jean M. Ferguson Revocable Trust No. 1 dated June 2, 1995, Loren L. Ferguson, Trustee, has a current mailing address of 342 E. Santa Fe Road, Phillipsburg, Kansas 67661. The royalty interest and overriding royalty interest attributed to that interest have stayed the same.

The overriding royalty interest owned by the Pamela Y. Krueger Trust dated June 15, 2000, has not changed according to the records.

The Ilene R. Kozisek interest has changed. Her royalty interest and overriding royalty interest is now owned by Ilene R. Kozisek and Donald J. Kozisek, Trustees of the Ilene R. Kozisek Revocable Trust under agreement dated January 18, 1989.

The royalty interest and overriding royalty interest shown as being owned by Katherine M. Davis has been transferred to her trust. The ownership of both the royalty and the override are now owned by Katherine M. Davis, Trustee of the Katherine M. Davis Living Trust dated August 6, 2002.

There has been no change in the ownership of the royalty interest or the overriding royalty interest for Gerald W. Bredemeier and John F. Davis.

The information pertaining to the royalty and overriding royalty interests were taken off of a February 15, 2002, NCRA division order which had been forwarded to the Phillips County Appraisers Office. The changes set forth herein as to the royalty interest and overriding royalty interest were changes to that particular division order.

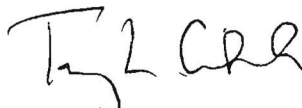

The Phillips County Treasurer's Office indicates that taxes for 2004 and all prior years are paid in full. No requirement will be made with respect to taxes regarding this property.

Given the Ratification of Lease by the mineral/royalty owners, it would appear that your concerns regarding the payment based on prior division orders have been taken care of. Enclosed with this opinion is a copy of the recorded Ratification of Lease. Based on the Ratification and the information contained in this opinion, you can update your division orders pertaining to the above described lease and the division orders for Pat H. Cochran and Nancy J. Cochran can be forwarded to P.O. Box 3827, Tustin, California 92781-3824. Subject to the one change of address, the remaining division orders can be forwarded to the parties in your 2002 division order. I do remind you that this is not a complete examination of the records or a complete division order title opinion. This opinion relies on your June, 1994, division order and the subsequent check of the records from that date forward to the date specified in this opinion. If you have any questions regarding this opinion or I can be of further assistance, feel free to contact me.

Very truly yours,

NOTES

1. The oil and gas lease presently in effect is shown at No. 9 of Abstract 3. An Xerox copy of said lease has been submitted and examined and a brief description of the same is as follows:

Dated:	March 22, 1968.
Lessors:	L.H. Davis and Emma E. Davis, husband and wife.
Lessee:	Red Barron Productions, Inc.
Covers:	W/2 NE/4 29-1-18, Phillips County, Kansas, containing 80 acres.
Primary term:	"... until 10-1-68, and as long thereafter as oil or gas, or either of them, is produced from said land by the lessee."

CRA, Inc.
October 24, 1968
Page 3

Royalty:	Usual 1/8.
Delay rental:	None.
Depository:	None.
Entirety clause:	Yes.
Unitization clause:	No.
Special provision:	"It is further agreed by and between the parties hereto, lessors and lessee, that in the event a well is drilled hereunder on the premises, and that same is commercially productive, then and in that event first party shall hold a 1/32 overriding interest in this lease. In the further event that said well is not commercially productive, then second party shall leave premises in approximately the same condition as they were in prior to drilling the test well."
Recorded:	July 15, 1968, at 4:45 P.M., in Book 214, Page 283-284.

An affidavit of production which sufficiently complies with K.S.A. 55-205 is shown at No. 14.

2. You will note that the quoted special provision of the lease provides for a "1/32 overriding royalty interest in this lease." The language is ambiguous as it does not expressly appear whether the overriding royalty is intended to be 1/32 of the total production or 1/32 of 7/8. I think the latter construction would be preferred, and it is probably what the parties intended. I have therefore credited the lessors with 1/32 of 7/8 overriding royalty, and make no requirement other than that they both sign the division order before payments are released to any of the working interest owners.

3. You will note that the lessee was Red Barron Productions, Inc. The assignment from it, shown at No. 10, named "Red Barron Productions Inc." as the assignor, and the same name was used for the signature.

CRA, Inc.
October 24, 1968
Page 4

The correction assignment, shown at No. 15, names "Red Baron Productions Inc." as the assignor and in the acknowledgment, but the instrument was executed by "Red Barron Productions, Inc." Both assignments erroneously refer to the lease as having been executed in 1967.

These errors are not sufficiently serious to justify a requirement and are mentioned so you will know they have been considered.

4. A sufficient affidavit of possession is submitted.

REQUIREMENTS

1. An affidavit should be furnished showing that L.H. Davis, one of the lessors, is the same person as Lyle H. Davis, sole heir at law of Francis E. Davis, deceased, as shown in Probate Case No. 3912.

2. Usual division order.
