 HIGHWAY 231
 Y = 200955 X = 1287774

- Contouring done based upon the best maps and photographs available to us and upon a regular section of land containing the same.
- Section corner lines were determined using the corner monuments of one or more adjacent sections, which are not necessarily located, and the exact location of the drillsite location in the section is not guaranteed. Therefore, the operator assuming this service and accepting this plan and all other portions relating thereto agree to hold Central Kansas Oilfield Services, Inc., its officers and employees harmless from all losses, suits and expenses and said services rendered from any liability to us in detail or otherwise in damages.
- Elevations derived from National Geodetic Vertical Datum.
