Dear Mark W. McCann:

Your application for Temporary Abandonment (TA) for the above-listed well is denied for the following reasons(s):

needs current fluid level & spud date

Pursuant to K.A.R. 82-3-111, the well must be plugged, or returned to service, or obtain temporary abandonment status by April 03, 2018.

This deadline does NOT override any compliance deadline given to you in any Commission Order.
