Dear Steve Jones:

Your application for Temporary Abandonment (TA) for the above-listed well is denied for the following reasons(s):

**Shut-in Over 10 years
need current accurate fluid level**

Pursuant to K.A.R. 82-3-111, the well must be plugged or returned to service by August 14, 2018.

If you wish to instead file an application for an exception to the 10-year limitation of K.A.R. 82-3-111, demonstrating why it is necessary to TA the well for more than 10 years, then you must file the application for an exception by August 14, 2018.

**This deadline does NOT override any compliance deadline given to you in any
Commission Order.**

You may contact me if you have any questions.

Sincerely,
Mike Heffern
KCC DISTRICT 3
