Re: Temporary Abandonment API 15-031-22114-00-00 JAMISON 5A SE/4 Sec.26-21S-13E Coffey County, Kansas

Dear Steve Jones:

Your application for Temporary Abandonment (TA) for the above-listed well is denied for the following reasons(s):

Shut-in Over 10 years need current accurate fluid level

Pursuant to K.A.R. 82-3-111, the well must be plugged or returned to service by August 14, 2018.

If you wish to instead file an application for an exception to the 10-year limitation of K.A.R. 82-3-111, demonstrating why it is necessary to TA the well for more than 10 years, then you must file the application for an exception by August 14, 2018.

This deadline does NOT override any compliance deadline given to you in any Commission Order.

You may contact me if you have any questions.

Sincerely, Mike Heffern KCC DISTRICT 3
