Dear Kenneth S. White:

Your application for Temporary Abandonment (TA) for the above-listed well is denied for the following reasons(s):

Current fluid level shot

Pursuant to K.A.R. 82-3-111, the well must be plugged, or returned to service, or obtain temporary abandonment status by September 18, 2018.

This deadline does NOT override any compliance deadline given to you in any Commission Order.

You may contact me if you have any questions.

Sincerely, Michael Maier KCC DISTRICT 1
