Re: Temporary Abandonment API 15-189-21335-00-01 BARNES EST 26-2 SE/4 Sec.26-31S-35W Stevens County, Kansas

### Dear Kelly Vasquez:

Your application for Temporary Abandonment (TA) for the above-listed well is denied for the following reasons(s):

### **Shut-in Over 10 years**

Pursuant to K.A.R. 82-3-111, the well must be plugged or returned to service by November 06, 2018.

If you wish to instead file an application for an exception to the 10-year limitation of K.A.R. 82-3-111, demonstrating why it is necessary to TA the well for more than 10 years, then you must file the application for an exception by November 06, 2018.

# This deadline does NOT override any compliance deadline given to you in any Commission Order.

You may contact me if you have any questions.

Sincerely, Michael Maier KCC DISTRICT 1
