Payless Concrete Products, Inc.

NOTICE TO OWNER
Failure of the contractor to pay those persons supplying material or services to complete the contract may result in the filing of a mechanic's lien on the property which is the subject of this contract.

CONDITIONS
Concrete to be delivered to the nearest accessible point over passable road under truck's own power. Due to delivery of concrete or contractor's direction, contractor shall be responsible for damage to any material or equipment, machinery, equipment, building, fence, etc., which are of customer's risk. The maximum allowed time for unloading trucks is 30 minutes per yard. A charge will be made for loading trucks longer. The concrete contains correct water contents for strength as per indication. We do not assume responsibility for strengthening when water is added at customer's request. Contractor must provide adequate truck to receive it. A \$25 charge will be added per truck if contractor does not supply a place to wash truck. Any charges are beyond responsibility.
