IN ALL CASES PLOT THE INTENDED WELL ON THE PLAT BELOW

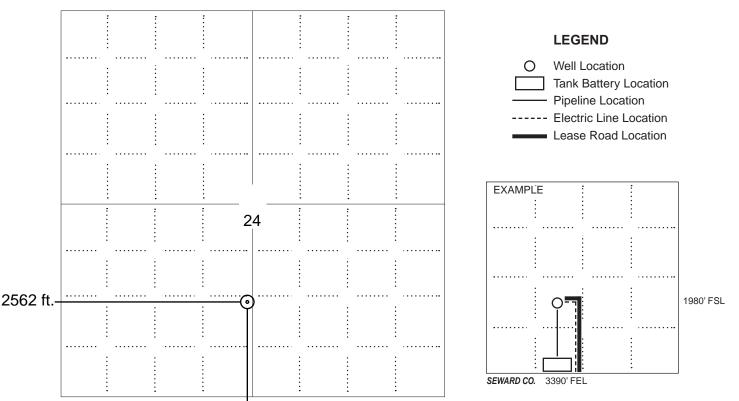

In all cases, please fully complete this side of the form. Include items 1 through 5 at the bottom of this page.

Operator:	Location of Well: County:
Lease:	feet from N / S Line of Section
Well Number:	feet from E / W Line of Section
Field:	Sec Twp S. R
Number of Acres attributable to well:	Is Section: Regular or Irregular
	If Section is Irregular, locate well from nearest corner boundary. Section corner used: NE NW SE SW

PLAT

Show location of the well. Show footage to the nearest lease or unit boundary line. Show the predicted locations of lease roads, tank batteries, pipelines and electrical lines, as required by the Kansas Surface Owner Notice Act (House Bill 2032).

You may attach a separate plat if desired.

NOTE: In all cases locate the spot of the proposed drilling locaton.

1298 ft.

In plotting the proposed location of the well, you must show:

- 1. The manner in which you are using the depicted plat by identifying section lines, i.e. 1 section, 1 section with 8 surrounding sections, 4 sections, etc.
- 2. The distance of the proposed drilling location from the south / north and east / west outside section lines.
- 3. The distance to the nearest lease or unit boundary line (in footage).
- 4. If proposed location is located within a prorated or spaced field a certificate of acreage attribution plat must be attached: (C0-7 for oil wells; CG-8 for gas wells).
- 5. The predicted locations of lease roads, tank batteries, pipelines, and electrical lines.

cipt of r the p cir res her str ucts an uired i
Southwest Quarter (SW/4)
In Section 24 Township 5.S Range 37.W and containing 160 acres, more or less, and all
accretions thereto. Subject to the provisions herein contained, this lease shall remain in force for a term of LHTCO. (3) years from this date (called "primary term"), and as long thereafter as oil, liquid hydrocarbons, gus or other respective constituent products, or any of them, is produced from said land or land with which said land is pooled. In consideration of the premises the said lease covenants and agrees: Ist. To deliver to the credit of lessor, free of cost, in the pipe line to which lease may connect wells on said land, the equal fore-time of all oil produced and saved
sed o
meaning of the preceding paragraph. This leave may be maintained during the primary term hereof without further payment or drilling operations. If the leaves shall commence to drill a well within the term of this leave may be maintained, the leaves shall have the right to drill such well to completion with reasonable diligence and disputch, and if oil or gus, or either of them, be found in paying quantities, this leave shall continue and be in force with like effect as if such well had been completed within the term of years first mentioned. If said lessor owns a less interest in the above described land than the entire and undivided fee simple estate therein, then the royalties herein provided for shall be paid the said lessor only in the proportion which lessor's interest bears to the whole and undivided fee. Lessee shall have the right to use, free of cost, gas, oil and water produced on said land for lessee's operation thereon, except water from the wells of lessor. When requested by lessor, lessee shall bury lessee's pipe lines below plow depth.
No well shall be drilled nearer than 200 feet to the house or barn now on said premises without written consent of lessor. Lossee shall pay for damages caused by lessee's operations to growing crops on said land.
Lessee shall have the right at any time to remove all machinery and uxtures placed on said premises, including the right to anaw and remove cashig. If the estate of either party hereto is assigned, and the privilege of assigning in whole or in part is expressly allowed, the covenants hereof shall extend to their heirs, executors, administrators, auccessors or assignae, but no change in the ownership of the land or assignment of rentals or royalties shall be binding on the lessee until after the lessee has been furnished with a written transfer or assignment or a true copy thereof, in case lessee assigns this lease, in whole or in part, lessee shall be relieved of all obligations with respect to the assigned portion or portions arising subsequent to the date of assignment. Lessee may at any time execute and deliver to lessee or place of record a release covering any portion or portions described premises and thereby
surrender this lease as to such portion or portions and be relieved of all obligations as to the acreage surrendered. All express or implied covenants of this lease shall be subject to all Federal and State Laws, Executive Orders, Rules or Regulations, and this lease shall not be terminated, in whole or in part, nor lessee held liable in damages, for failure to comply therewith, if compliance is prevented by, or if such failure is the result of, any such Law, Order, Rule or Regulation
answers. any mortgages, taxes or other liens on the above described lands herein described, and agrees that the lessee shall have the right at any time to redeem for lesser, by payment any mortgages, taxes or other liens on the above described lands, in the event of default of payment by lesser, and be subrogated to the rights of the holder thereof, and the undersigned lessors, for themselves and their heirs, successors and assigns, hereby surrender and reloase all right of dower and homestead in the premises described herein, in so far as said right of dower and homestead may in any way affect the amount of the loans is made as recited herein, in so far less and discrete and homestead may in any way affect the amount of the loans is made as recited herein.
Lessee, at its option, is hereby given the right and power to pool or combine the acreage covered by this lease or any portion thereof with other land, lease or leases in the immediate vicinity thereof, when in lessee's judgment it is necessary or advisable to do so in order to properly develop and operate said lease premises so as to promote the conservation of oil, its so to other minerals in and under and that may be produced from said premises, such pooling to be of tracts contiguous to one another and to be into a unit or units and cortesting the contiguous to one another and to be into a unit or units not exceeding 600 acress each in the event of an oil well, or into a unit or units and record in the event of an oil well, or into a unit or units and record in the event of a not seen of the land herein leased is situated an instrument identifying and describing the pooled acreage. The entire acreage so pooled into a tract or unit is shall be treated as il purposes accept the payment of royalties on production from the pooled acreage, it shall be treated as if production is least, whether the well or wells be located on the premises covered by this lease or not. In lieu of the royalts also acreage, it shall receive on production from a unit so pooled only such portion of the royalty schulated herein as the amount of his acreage placed in the unit or his royalty interest therein on an acreage basis bears to the total acreage so pooled in the particular unit involved.
If the leased premises are now or shall hereafter be owned in severalty or in separate tracts, the premises may nonetheless be developed and operated as one lease, and all royalties accruing hereunder shall be divided among and paid to such separate owners in the proportion that the acreage owned by each separate owner bears to the entire leased acreage. There shall be no obligation on the part of the lessee to offset wells on separate tracts into which the land covered by this lease may now or hereafter be divided by sale, devisee, descent or otherwise, or to furnish separate measuring or receiving tanks.

Subject to the provisions herein contained, this lease shall remain in force for a term of One (1) years from Janaury 30, 2019 this date (called "primary term") and as long thereafter as oil, liquid hydrocarbons, gas or other respective constituent products, or any of them, is produced from said land or land with which said land is pooled.

In consideration of the premises the said lessee covenants and agrees:

1st. To deliver to the credit of lessor, free of cost, in the pipe line to which lessee may connect wells on said land, the equal one 15% of all oil produced and saved from the leased premises.

2nd. To pay lessor for gas of whatsoever nature or kind produced and sold, or used off the premises, or used in the manufacture of any products therefrom, one-eighth (1/8), at the market price at the well, (but, as to gas sold by lessee, in no event more than 15% the proceeds received by lessee from such sales), for the gas sold, used off the premises, or in the manufacture of products therefrom, said payments to be made monthly.

This lease may be maintained during the primary term hereof without further payment or drilling operations. If the lessee shall commence to drill a well within the term of this lease or any extension thereof, the lessee shall have the right to drill such well its completion with reasonable diligence and dispatch, and if oil or gas, or either of them, be found in paying quantities, this lease shall continue and be in force with like effect as if such well had been completed within the term of years first

If said lessor owns a less interest in the above described land than the entire and undivided fee simple estate therein, then the royalities berein provided for shall be paid to said lessor only in the proportion which lessor's interest bears to the whole and madivided fee.

Lessee shall have the right in the use, free of cost, sar, oil and what produced on said land for lessee's operation therein.

When requested by lesser, lessee shall bury lessee's pipe lines below flow depth.

Lessee shall part the the high of the house of that mow one said premises, including the right to draw and remove casting.

Lessee shall have the right are up time to remove all machinery and fixtures placed on said premises, including the right to draw and remove casting.

Lessee shall have the right are up time to remove all machinery and fixtures placed on said premises, including the right to draw and remove casting.

Lessee shall have the right are up time to remove all machinery and fixtures placed on said premises, including the right to draw and remove casting. It is controlled to the party from the its sagges, but no change in the ownership of the land of assignment of remuls or royalities shall be brinding on the lessee number of the said of the party from a written and the said of t

If the leased premises are now or shall hereafter be owned in severalty or in separate tracts, the premises may nonetheless be developed and operated as one lease, and all royalties accruing hereunder shall be divided among and paid to such separate owners in the proportion that the acreage owned by each separate owner bears to the entire leased acreage. There shall be no obligation on the part of the lessee to offset wells on separate tracts into which the land covered by this lease may now or hereafter be divided by sale, devisee, descent or otherwise, or to furnish separate measuring or receiving tanks.

IN WITNESS WHEREOF, the undersigned execute this instrument as of the day and year first above written.
