First Published in the Dodge City Daily Globe on December 10, 2019. Notice to Bidders Northwestern Electric Cooperative (NVEC), a distribution electric cooperative, located in Woodward, Oklahoma, requests bids for archeological field monitoring during construction of projects in Beaver, Harper, and Woodward counties, Oklahoma, caused by Ice Storm Jupiter FEMA Declaration #1299 in January, 2017. The work consists of oversight of re-training, replacement of conductor, replacement and relocation of poles and pole top assemblies and installation of poles and pole top assemblies for approximately 60 miles of distribution power lines. NVEC is requesting lump sum bids by January 24, 2020. For vendor information forms and more information, please refer to NVEC's website: www.nvecok.coop or call (580) 256-7425. Work is expected to begin in the spring of 2020 and will be completed within one year from start date. NVEC invites qualified contractors (most the Secretary of the Interior Personnel Qualifications Standards) to submit a Request for Vendor Information based on services outlined above and we will be more fully described in proposal. NVEC ensures that small business enterprises (SBE), minority business enterprises (MBE) and women's business enterprises (WBE) are used to the fullest extent possible. NVEC will require that each bidder fully comply with the requirements, terms, and conditions of the Federal policy 2CFR part 215 and award a fair share of sub-agreements to SBE's, MBE's, and WBE's. The bidder commits itself to taking affirmative actions contained herein, prior to submission of bids or proposal, assuring that SBE's, MBE's, and WBE's are solicited whenever they are potential sources of goods or services. NVEC is an equal opportunity provider and employer. 5xTue-Sat
