Dear Mark Casebeer:

Your application for Temporary Abandonment (TA) for the above-listed well is denied for the following reasons(s):

Obtain a current fluid level and submit with Form CP-111. Provide cement amounts and the tops.

Pursuant to K.A.R. 82-3-111, the well must be plugged, or returned to service, or obtain temporary abandonment status by 09/16/2020.

This deadline does NOT override any compliance deadline given to you in any Commission Order.

You may contact me if you have any questions.

Sincerely,
Keith Karlin ECRS
KCC DISTRICT 2
