Dear Bruce Meyer:

Your application for Temporary Abandonment (TA) for the above-listed well is denied for the following reasons(s):

**Obstruction in casing
PACKER @ 2984?**

Pursuant to K.A.R. 82-3-111, the well must be plugged, or returned to service, or obtain temporary abandonment.status by 10/13/2022.

This deadline does NOT override any compliance deadline given to you in any Commission Order.

You may contact me if you have any questions.

Sincerely,
RICHARD WILLIAMS
KCC DISTRICT 4

Rich, there should be no obstruction in the casing. The equipment was pulled in September, 2021. The schematiz was not updated to show this, thus the packer was still shown on the schematiz. The new schematiz is attached along w/ the fluid level.

Hope this helps clear things up.
