Re: 22-CONS-3124-CPEN Settlement Agreement, CP-111's

Mr. Freiden,

The District #3 office approved several CP-111 applications on July 11, 2022, that you had submitted to fulfill your objective for the Commission ordered Settlement Agreement in Docket 22-CONS-3124-CPEN. District #3 staff reviewed the approved CP-111 applications and found several discrepancies from previous filed CP-111 applications. Furthermore, District #3 has determined that the following applications should have been denied and the wells should have been included in your Settlement Agreement pertaining to the above mentioned docket. The following CP-111 applications will be revoked and the wells will be added to your Settlement Agreement:

1. Wells that exceed 10 year shut-in date:

Ace Energy LLC will be required to bring 5 wells into compliance per calendar quarter commencing July 1, 2022. District #3 staff will be sending you a Report showing all the wells on the Settlement Agreement in a future email. If you have any questions regarding the Settlement Agreement, please contact me at 620-432-6511.

Sincerely,

Ryan Duling ECRS
