Kansas Corporation Commission Oil & Gas Conservation Division

HAUL-OFF PIT APPLICATION FILING REQUIREMENTS

82-3-607. DISPOSAL OF DIKE AND PIT CONTENTS.

- (a) Each operator shall perform one of the following when disposing of dike or pit contents:
- (1) Remove the liquid contents to a disposal well or other oil and gas operation approved by the commission or to road maintenance or construction locations approved by the department;
 - (2) dispose of reserve pit waste down the annular space of a well completed according to the alternate I requirements of K.A.R. 82-3-106, if the waste to be disposed of was generated during the drilling and completion of the well; or
 - (3) dispose of the remaining solid contents in any manner required by the commission. The requirements may include any of the following:
 - (A) Burial in place, in accordance with the grading and restoration requirements in K.A.R. 82-3-602 (f);
 - (B) removal and placement of the contents in an on-site disposal area approved by the commission;
 - (C) removal and placement of the contents in an off-site disposal area on acreage owned by the same landowner or to another producing lease or unit operated by the same operator, if prior written permission from the landowner has been obtained; or
 - (D) removal of the contents to a permitted off-site disposal area approved by the department.
- (b) Each violation of this regulation shall be punishable by the following:
- (1) A \$1,000 penalty for the first violation;
 - (2) a \$2,500 penalty for the second violation; and
 - (3) a \$5,000 penalty and an operator license review for the third violation.

Complete and return with Haul-Off Pit Application, Form CDP1(2004)

Haul-off pit will be located in an on-site disposal area: Yes No

Haul-off pit is located in an off-site disposal area on acreage owned by the same landowner:
 Yes No If yes, written permission from the land owner must be obtained. Attach written permission to haul-off pit application.

Haul-off pit is located in an off-site disposal area on another **producing** lease or unit operated by the same operator: Yes No If yes, written permission from the land owner must be obtained. Attach permission and a copy of the lease assignment that covers the acreage where the haul-off pit is to be located, to the haul-off pit application.

**RIGHT-OF-WAY AND EASEMENT GRANT FOR
HAUL-OFF PIT**

In consideration of one and more dollars (\$1.00+), receipt of which is hereby acknowledged, **Scott R. Wiese and Debra R. Wiese, JTWROS**, whose address is 70304 Hwy 61, Benkelman, Nebraska 69021; hereinafter collectively referred to as "**Grantor**"), hereby grants to Murfin Drilling Company, Inc., a Kansas Corporation, whose mailing address is 250 N. Water, Suite 300, Wichita, Kansas 67202, its successors, heirs, assigns, agents and employees (hereinafter referred to as "**Grantee**"), an right-of-way and easement, subject to the following terms and conditions, over and across the following described lands in Cheyenne County, Kansas, to-wit:

Township 1 South, Range 38 West:
Section 17: E/2 & SW/4

(hereinafter referred to as "said Lands") with the right and privilege for purposes of input and storage thereon and haul-off therefrom of spent drilling fluids and cuttings ("Haul-off Pit") transferred from working pits and/or steel pits at the drilling location for the Wiese 'A' 1-17 located on the SE/4 Section 17-T1S-R38W, Cheyenne County, Kansas and of constructing, lining, repairing, filling, maintaining, and deconstructing said Haul-off Pit, including but not limited to waterlines, pumps, pump housing, meters, necessary ingress and egress and other such equipment, vehicles, and personnel as Grantee considers, or may consider, necessary and sufficient to input, store and remove said spent drilling fluids and cuttings therein and to construct and maintain said Haul-off Pit said Lands during and after the said drilling operations. The amounts of spent drilling fluids and cuttings in and method of transmission to the Haul-off Pit shall be determined at Grantee's sole discretion. Grantee agrees to conduct all operations in accordance with the rules, regulations, and orders of the Kansas Corporation Commission regarding the Haul-off Pit.

Grantee agrees to pay Grantor or its assigns for all damages caused by its operations relative to the Haul-off Pit and to indemnify and hold harmless Grantee from all damages caused by its operations on said Lands from the Haul-off Pit. Grantee agrees to close the Haul-off Pit, level and location and restore the surface to its precedent condition as nearly as is practicable.

Grantor agrees that in addition to the other rights herein granted, Grantee shall have the right of ingress and egress to and from, through, over and across said Lands. Grantor also grants to Grantee such temporary waterline right-of-way on, over, under and across said Lands as shall be considered reasonably necessary by Grantee. This Right-of-Way and Easement Grant for Haul-off Pit shall terminate upon the restoration of the pit site.

IN WITNESS WHEREOF, this instrument is signed on this ____ day of November 2023, but in all respects effective as of November 1, 2023.
