### ASSIGNMENT OF OIL AND GAS LEASES

KNOW ALL MEN BY THESE PRESENTS:

That the undersigned, Kansas Resource Development Company, a Nevada Corporation, hereinafter called "Assignor", for and in consideration of One Dollar (\$1.00) and other valuable consideration, the receipt and sufficiency whereof are acknowledged, does hereby grant, bargain, sell, covey, transfer, assign and deliver all of Assignor's right, title and working interest unto Novy Oil & Gas, Inc., a Kansas Corporation, hereinafter called "Assignee", its successors and assigns, in and to the following oil and gas leases and personal property:

- A. The Oil and Gas Leases described on Exhibit A and the leasehold estate and right, privileges and interests created by said leases subject to all the terms and conditions of said oil and gas lease and extensions thereof (collectively, the "Leases"); AND
- B. All equipment, wells, structures and personal property, to include fixtures and improvements, currently located on the Leases described above in paragraph (A), and used, formerly used or held for use in connection with oil and gas exploration, production, treatment, storage and marketing activities (collectively, the "Personal Property").

The Leases and Personal Property are collectively referred to as the "Assigned Property."

#### ASSIGNMENT TERMS:

1. **DISCLAIMER OF WARRANTY.** Assignor makes this assignment without any representation or warranty of any kind, and the Assigned Property is being assigned AS IS, WHERE IS and WITH ALL FAULTS. Assignee accepts the Assigned Property without warranty of any kind by Assignor. All express or implied warranties, specifically including the implied warranties of merchantability, and fitness for a particular purpose, merchantability of title and validity of the Leases are hereby disclaimed.

2. **ASSUMPTION OF RESPONSIBILITY.** Assignors and Assignee do hereby stipulate and agree among themselves that all of the wells located upon the Leases are being assigned to Assignee and that no such wells shall be considered to have been abandoned by Assignors at the time of this Assignment. Assignee does hereby agree to accept all responsibility and liability for all of the Assigned Property from and after the date of this Assignment and shall indemnify and hold Assignors, their affiliates, and directors, officers and employees harmless from any, claim, damage, liability or responsibility for any of such wells or oil and gas equipment or the repair, restoration or remediation of the real property covered by the Leases from and after the date of this Assignment,

whether or not such damage, event or liability accrued prior to the date of this Assignment. Within 30 days after the effective date of this Assignment Assignee shall accept an assignment of operator responsibility for all wells located on the Leases by form T-1 Transfer filed with the Conservation Division of the Kansas Corporation Commission.

3. ACKNOWLEDGEMENT OF CONDITION OF LEASES. Assignor and Assignee expressly acknowledge that some of the Leases have not produced either oil or gas for an extended period of time and therefore it is possible or even likely that said Leases have expired by their own terms. It is Assignee's intent to obtain ratifications of the Leases or new oil and gas leases covering the real property encumbered by the Leases, however Assignee accepts the risk that the respective landowners may not execute ratifications or a new lease and Assignee nevertheless unconditionally accepts all of the responsibilities and liabilities associated with said real property, including plugging and remediation obligations, even if Assignee does not ultimately obtain a valid oil and gas lease covering such real property. Assignee unconditionally accepts this assignment of all of Assignor's right, title, interest and responsibility with respect to the Leases and the Personal Property at its own risk and without any assurances by Assignor that new leases or ratifications can be obtained from the respective owners of the real property covered by the Leases.

4. TRANSFER OF RIGHTS. The Assigned Property shall include all right, title and interest which Assignor may have in and to the Leases, including but not limited to, leasehold interests, regulatory authorities and permits or licenses.

5. FURTHER ASSURANCES. The parties agree to execute, acknowledge and deliver such other and further instruments or documents, and to take such other and further actions as may be reasonably necessary to carry out the provisions of this Assignment.

TO HAVE AND TO HOLD the rights, titles and interests hereby conveyed and assigned, forever.

THIS ASSIGNMENT is effective November 1, 2024, regardless of the date of execution.

EXECUTED this 4<sup>th</sup> day of November, 2024.
